- 1) We note your disclosure that foreign currency translation resulted in a 73.4 million negative impact on total consolidated revenue. In future periodic filings, please provide a more robust discussion of the effects foreign currencies have on your operations. Specifically, please disclose the currencies that have the greatest effect on your operations and quantify the effects each had for each of the years presented. - 2) In an effort to provide more transparent disclosures regarding trends in investment management fees, please revise your future periodic filings to include the following:
- Rollforward of your Assets Under Management (AUM) for each period presented by fund type to separately present gross inflows and outflows, distributions for a realization event, and market appreciation/depreciation
 - Discussion for the underlying reasons for changes in AUM on a gross basis

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Shannon Sobotka, Staff Accountant, at (202) 551-3856 or me at (202) 551-3629 if you have questions.
