On June 15, 2004, pursuant to the terms of an Amendment and Waiver, dated as of April 14, 2004 (the "Amendment and Waiver"), by and among the Issuer, Blum Strategic, Blum Strategic II, Blum Strategic II KG and the other stockholders party thereto, all issued and outstanding shares of Class B Common Stock were voluntarily converted by the holders thereof into shares of Common Stock on a 1-for-1 basis, including the shares of Class B Common Stock held by the Reporting Persons.

Blum and Cozad, pursuant to a Securityholders' Agreement, dated as of July 20, 2001 (the "Securityholders' Agreement") and as amended by the Amendment and Waiver, among the Issuer, Services, Blum Strategic, Blum Strategic II, Blum Strategic II KG and certain other stockholders of the Issuer party thereto, Blum Strategic, Blum Strategic II and Blum Strategic II KG, together, are entitled to nominate a percentage of the total number of directors of the Issuer that is equivalent to the percentage of the outstanding Common Stock beneficially owned by these stockholders and their affiliates, with this percentage of our directors being rounded up to the nearest whole number of directors. The stockholders that are parties to the Securityholders' Agreement that previously owned shares of Class B Common Stock, other than Frederic V. Malek, are obligated to vote all shares of Common Stock that they and their affiliates own in favor of the directors nominated by Blum Strategic, Blum Strategic II and Blum Strategic II KG.

Although no Reporting Person has any specific plan or proposal to acquire or dispose of Common Stock other than as set forth above, each Reporting Person, consistent with its investment purpose, at any time and from time to time may acquire additional Common Stock or dispose of any or all of its Common Stock (including, without limitation, distributing some or all of such shares to such Reporting Person's members or partners) depending upon an ongoing evaluation of the investment in the Common Stock, applicable legal restrictions, prevailing market conditions, other investment opportunities, liquidity requirements of the Reporting Persons and/or other investment considerations. Also, consistent with the investment purpose, the Reporting Persons, solely in their capacity as stockholders of the Issuer, may engage in communications with one or more other stockholders of the Issuer, one or more officers of the Issuer, one or more members of the Board of Directors of the Issuer and/or one or more representatives of the Issuer regarding the Issuer, including but not limited to its operations. The Reporting Persons may discuss ideas that may relate to, or if effected may result in, any of the matters referred to in paragraphs (a) through (j), inclusive of the instructions to Item 4 of Schedule 13D.

Other than as described above, none of the Reporting Persons has any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

The information set forth in this Item 4 is qualified in its entirety by reference to the Underwriting Agreement (Exhibit E hereto), the Securityholders' Agreement (Exhibit F hereto) and the Amendment and Waiver (Exhibit D hereto), each of which is incorporated by reference herein in its entirety.

Item 5. Interest in Securities of the Issuer

The information set forth in this Item 5 is qualified in its entirety by reference to the Securityholders' Agreement (Exhibit F hereto) and the Amendment and Waiver (Exhibit D hereto), each of which is incorporated by reference herein in its entirety.

(a), (b) Based upon information provided by the Issuer, immediately after completion of the Offering on June 15, 2004 there were 68,614,001 shares of Common Stock issued and outstanding. Based on such information, after taking into account the transactions described in Item 5(c) below, the Reporting Persons report beneficial ownership of the following shares of Common Stock: (i) 13,365,132 shares of Common Stock held by Blum GP on behalf of the limited partnerships for which it serves as the general partner, which represents 19.5% of the outstanding shares of the Common Stock; (ii) 15,845,200 shares of the Common Stock held by Blum GP II on behalf of the limited partnership for which it serves as the general partner and on behalf of the limited partnership for which it serves as the managing limited partner, which represents 23.1% of the outstanding shares of the Common Stock; and (iii) Mr. Blum, who is a director of the Issuer, reports the aggregate of these shares for a total of 29,212,332 shares of the Common Stock, which represents 42.6% of the outstanding shares of Common Stock.

Voting and investment power concerning the above shares are held solely by Blum GP and Blum GP II. The Reporting Persons therefore may be deemed to be members in a group, in which case the group would be deemed to have beneficial ownership of an aggregate of 29,212,332 shares of the Common Stock, which is 42.6% of the outstanding Common Stock. Mr. Blum may be deemed to be the beneficial owner of the securities over which Blum GP and Blum GP II has voting and investment power. In addition, Mr. Blum does not disclaim beneficial ownership of 2,000 shares of the Common Stock held directly by him. Mr. Blum is Chairman of the Issuer. Although Mr. Blum is joining in this Schedule as a Reporting Person, the filing of this Schedule shall not be construed as an admission that he, or any of the other managing members and members of Blum GP and Blum GP II, is, for any purpose, the beneficial owner of any of the securities that are beneficially owned by Blum GP or Blum GP II.

As a result of the provisions in the Securityholders' Agreement affecting the voting of shares of Common Stock (as described in Item 6 of this Schedule 13D), Blum Strategic, Blum Strategic II and Blum Strategic II KG, together with the other parties thereto that formerly held shares of Class B Common Stock, other than Frederic V. Malek, may be deemed to constitute a group within the meaning of Section 13(d)(3) of the Exchange Act. As such, the group formed thereby would be deemed to beneficially own the aggregate 38,944,551 shares of Common Stock held by such persons, which would represent 56.3% of the outstanding shares of Common Stock. The parties to the Securityholders' Agreement that formerly held shares of Class B Common Stock are the following: Blum Strategic; Blum Strategic II; Blum Strategic II KG; FS Equity Partners III, L.P. ("FSEP III"); FS Equity Partners International, L.P. ("FSEP International"); Ray Wirta, who as of the date of this Schedule 13D is the Chief Executive Officer, and a director, of the Issuer; Brett White, who as of the date of this Schedule 13D is the Present, and a director, of the Issuer; and The Koll Holding Company. However, the

Reporting Persons disclaim the existence of such group and disclaim beneficial ownership of the shares of Common Stock directly held by any of the other parties to the Securityholders' Agreement.

c) The Reporting Persons effected the following transactions in the Common Stock during the 60 days prior to the filing of this Schedule 13D:

On June 10, 2004, Mr. Blum received a grant of 2,000 shares of Common Stock pursuant to the terms of the Plan in his capacity as an Outside Director (as such term is defined in the Plan).

On June 15, 2004, pursuant to the Amendment and Waiver, Blum Strategic, Blum Strategic II and Blum Strategic II KG were issued an aggregate of 40,705,938 shares of Common Stock in connection with the voluntary conversion by them of an equal number of shares of Class B Common Stock on the date thereof.

On June 15, 2004, the Reporting Persons sold the following number of shares of Common Stock in the Offering for a price of \$17.86 per share (net of underwriting discounts and commissions):

The limited partnership for 5,259,793
which Blum GP serves as

(d) and (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with
Respect to Securities of the Issuer

In connection with the Merger, Blum Strategic, Blum Strategic II and Blum Strategic II KG entered into the Securityholders' Agreement with the Issuer, Services and the other stockholders party thereto. Pursuant to the Securityholders' Agreement, the following terms generally apply after completion of the Offering (subject to termination pursuant to the terms thereof):

Nomination of Directors and Voting. Following the completion of the Offering, Blum Strategic, Blum Strategic II and Blum Strategic II KG, together, are entitled to nominate a percentage of the total number of directors of the Issuer that is equivalent to the percentage of the outstanding Common Stock beneficially owned by them, with this percentage of directors being rounded up to the nearest whole number of

CUSIP NO. 12497T101

SCHEDULE 13D

Page 14 of 17

directors. Also following the Offering, FSEP and FSEP International, together, are entitled to nominate one person to the Issuer's Board of Directors for so long as these stockholders, collectively, beneficially own at least 7.5% of the outstanding Common Stock. The stockholders that are parties to the Securityholders' Agreement that formerly owned shares of Class B Common Stock, other than Frederic V. Malek, are obligated to vote their shares after the Offering in favor of the directors nominated by Blum Strategic, Blum Strategic II, Blum Strategic II KG, FSEP III and FSEP International.

Registration Rights. Blum Strategic, Blum Strategic II and Blum Strategic II KG, together, can require the Issuer to effect six registration statements, or "demand registrations," registering the shares of Common Stock held by them for sale under the Securities Act of 1933. In addition, FSEP III and FSEP International, together, can request three demand registrations with respect to the shares of Common Stock held by them. If a demand registration is underwritten and the managing underwriter advises the Issuer that marketing factors require a limitation on the number of shares to be underwritten, priority of inclusion in the demand registration generally is such that the stockholder initiating the demand registration receives first priority.

In addition to the obligations with respect to demand registrations, if the Issuer proposes to register any of its securities, other than a registration relating to the Issuer's employee benefit plans or a corporate reorganization or other transaction under Rule 145 of the Securities Act, whether or not the registration is for the Issuer's own account, the Issuer is required to give each of the stockholders that is party to the Securityholders' Agreement, whose rights have not terminated in this respect, the opportunity to participate, or "piggyback," in the registration. If a piggyback registration is underwritten and the managing underwriter advises the Issuer that marketing factors require a limitation on the number of shares to be underwritten, priority of inclusion in the demand registration generally is such that the Issuer receives first priority with respect to the shares it is issuing and selling.

The registration rights are subject to conditions and limitations, among them the right of the underwriters of an offering subject to the registration to limit the number of shares included in the offering. The Issuer generally is required to pay the registration expenses in connection with both demand and piggyback registrations. A stockholder's registration rights will terminate if the Issuer has completed an initial public offering of the Common Stock (which occurred on June 15, 2004), the stockholder holds less than 0.5% of the outstanding Common Stock and the stockholder is entitled to sell all of its or his shares in any 90-day period under Rule 144 of the Securities Act of 1933, as amended.

Indemnification. The Issuer is obligated to indemnify the stockholders that are parties to the Securityholders' Agreement and each of their respective affiliates, controlling persons, directors, officers, employees and agents

reasonable attorneys' fees and expenses but excluding special or consequential damages, arising from, relating to or otherwise in respect of, any governmental or other third party claim against these indemnified persons that arises from, relates to or is otherwise in respect of (1) the Issuer's business, operations, liabilities or obligations or (2) the ownership by the stockholders or any of their respective affiliates of any of the Issuer's equity securities, except to the extent these losses and expenses (x) arise from any claim that the indemnified person's investment decision relating to the purchase or sale of these equity securities violated a duty or other obligation of the indemnified person to the claimant or (y) are finally determined in a judicial action by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the stockholder or its affiliates.

In connection with the Offering, each of Blum Strategic, Blum Strategic II, Blum Strategic II KG and the other parties to the Securityholders' Agreement as of April 14, 2004 entered into the Amendment and Waiver, which, in addition to amending certain terms of the Securityholders' Agreement, also provided for certain agreements with respect to the Offering between and among the Issuer and certain of the stockholders that are parties to the Securityholders' Agreement.

Also in connection with the Offering, each of Blum Strategic, Blum Strategic II, Blum Strategic II KG, Richard C. Blum and Jeffrey A.
