Item 1. Security and Issuer.

This Schedule 13D relates to the Class A Common Stock, \$.01 par value (the "Class A Common Stock"), of CBRE Holding, Inc., a

Delaware corporation (the “Issuer”), having its principal executive offices at 200 North Sepulveda Boulevard, El Segundo, California 90245-4380.

Item 2. Identity and Background.

This Schedule 13D is filed by California Public Employees’ Retirement System (“CalPERS”), a government employee pension fund, which is a unit of the State and Consumer Services Agency of the State of California, with its principal office and place of business located at Lincoln Plaza, 400 “P” Street, Sacramento, California, 95814.

Information concerning the executive officers and members of the Board of Administration of CalPERS is set forth in Schedule A to this Schedule 13D. Each of such executive officers and members of the Board of Administration is a citizen of the United States.

Neither CalPERS nor, to the best of the knowledge of CalPERS, any person named on Schedule A to this Statement, during the past five years, (i) has been convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors), or (ii) has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgement, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or other Consideration.

On July 20, 2001, CalPERS entered into a Subscription Agreement (the “Subscription Agreement”) with the Issuer, pursuant to which CalPERS purchased 625,000 shares of Class A Common Stock for an aggregate purchase price of \$10,000,000. The Subscription Agreement is described in Item 6 below, filed as an Exhibit hereto (as indicated in Item 7 below) and incorporated by reference herein. The source of funds for the purchase of such shares was the working capital of CalPERS.

Item 4. Purpose of Transaction

The information set forth or incorporated by reference in Items 3, 5 and 6 is hereby incorporated herein by reference.

On February 23, 2001, the Issuer, its subsidiary BLUM CB Corp., a Delaware corporation (“Merger Sub”), and CB Richard Ellis Services, Inc. (“Services”) entered into an Agreement and Plan of Merger (as subsequently amended and restated, the “Merger Agreement”), pursuant to which Merger Agreement, on the terms and conditions set forth therein,

13D

Page 3 of 19 Pages

Merger Sub would merge with and into Services (the “Merger”), and holders of the common stock of Services (“Services Common Stock”) (other than certain holders including the Issuer), including CalPERS, would receive consideration of \$16.00 per share in cash in exchange for their shares.

On July 20, 2001, the Merger Agreement closed and the Merger was completed. In connection with and immediately prior to the Merger, on July 20, 2001, pursuant to the Subscription Agreement, CalPERS purchased 625,000 shares of Class A Common Stock for an aggregate purchase price of \$10,000,000.

CalPERS acquired the Class A Common Stock for investment purposes. In addition, CalPERS has acquired certain rights and obligations with respect to the Issuer that are contained in a Securityholders’ Agreement, dated as of July 20, 2001, among RCBA Strategic Partners, L.P., Blum Strategic Partners II, L.P., (“Blum Partners,” and together with RCBA Partners and RCBA GP, L.L.C., the “Blum Funds”), FS Equity Partners III, L.P. (“FSEP”), FS Equity Partners International, L.P. (“FSEP International,” and together with FSEP, “Freeman Spogli”), The Koll Holding Company (“Koll”), CalPERS, Frederic V. Malek (“Malek”), DLJ Investment Funding, Inc. (“DLJ”), Credit Suisse First Boston Corporation (“CSFB”), Raymond E. Wirta (“Wirta”), W. Brett White (“White,” and together with Freeman Spogli, Koll, CalPERS, Malek, DLJ, CSFB and Wirta, the “Non-Blum Holders,” and the Non-Blum Holders together with the Blum Funds, the “Securityholders”), Services and the Issuer, which was entered into in connection with the completion of the Merger and is described in Item 6 below, filed as an Exhibit hereto (as indicated in Item 7 below) and incorporated by reference herein.

Pursuant to such Securityholders’ Agreement, among other things, the Blum Funds have the right to designate a majority of the Board of Directors (the “Board”) of the Issuer and each of the parties to the Securityholders’ Agreement that holds shares of Class B Common Stock, par value \$0.01 per share, of the Issuer (“Class B Common Stock”) generally has agreed to vote each of such shares in favor of the election to the Board of such designees, as well as the designees of specified other holders of Class B Common Stock. As of the date hereof, the Board consists of 5 directors and the Blum Funds have designated Richard C. Blum and Claus J. Moller as directors (Mr. Blum was designated by RCBA Partners and Mr. Moller was designated by Blum Partners). CalPERS expects that the Board will soon be increased to 8 directors and that 2 of the additional 4 directors will be designated by RCBA Partners. Under the Securityholders’ Agreement, RCBA Partners and Blum Partners will be entitled to change any such designations made by them at any time. As a result of the right of the Blum Funds to designate a majority of the members of the Board, the Blum Funds may effect changes to the management of the Issuer.

Also pursuant to the Securityholders’ Agreement, CalPERS will be entitled to have one observer at all regular and special meetings of the Board of Directors of the Issuer (the “Board”) for so long as CalPERS or its affiliates beneficially own any shares of Class A Common Stock or Class B Common Stock (collectively, “Common Stock”).

Also pursuant to the Securityholders’ Agreement, among other things, subject to limited exceptions, each of the holders of Class B

Common Stock other than the Blum Funds has agreed to vote each of the shares of Class B Common Stock it or he beneficially owns on matters to be decided by the stockholders of the Issuer in the same manner as RCBA Partners votes the shares of Class B Common Stock that it beneficially owns. The exceptions apply to transactions

between the Blum Funds or their affiliates and the Issuer or its subsidiaries and to amendments to the certificate of incorporation or bylaws of the Issuer that adversely affect the other holders of Common Stock relative to the Blum Funds.

While it is not the current intention of CalPERS to do so and the Securityholders' Agreement contains significant restrictions on the ability of CalPERS to do so, CalPERS may dispose of some or all of its interest in the Class A Common Stock held by it in privately negotiated transactions with third parties (including through an extraordinary corporate transaction, such as a merger, reorganization or liquidation), through a public offering upon exercise of the registration rights provided in the Securityholders' Agreement, or otherwise, depending upon an ongoing evaluation of the investment, prevailing market conditions, liquidity requirements of CalPERS and other factors and considerations. Alternatively, subject to the terms of the Securityholders' Agreement, while it is not the present intention of CalPERS to do so, CalPERS may seek to acquire additional shares of Class A Common Stock or other securities of the Issuer through privately negotiated transactions or otherwise.

Except to the extent the foregoing may be deemed a plan or proposal, CalPERS does not have any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. CalPERS may, at any time and from time to time, review or reconsider its position and/or change its purpose and/or formulate plans or proposals with respect thereto.

Item 5. Interest in the Securities of the Issuer

The information set forth or incorporated by reference in Items 2, 3, 4 and 6 is hereby incorporated herein by reference.

(a), (b) Based upon information provided by the Issuer, immediately after the completion of the Merger, there were 1,589,774 shares of Class A Common Stock outstanding and 12,649,813 shares of Class B Common Stock outstanding. Pursuant to the Restated Certificate of Incorporation of the Issuer, each share of Class B Common Stock may be converted by the holder thereof into one share of Class A Common Stock at any time at the option of such holder. Accordingly, any holder of shares of Class B Common Stock may be deemed to beneficially own an equal number of shares of Class A Common Stock.

After taking into account the transactions described in Item 3, CalPERS directly owns 625,000 shares of Class A Common Stock, which is equal to approximately 39.31% of the outstanding shares of Class A Common Stock. The beneficial ownership percentages calculated in the immediately foregoing sentence assume no conversion of shares of Class B Common Stock by any owners of shares of Class B Common Stock.

As a result of the provisions in the Securityholders' Agreement described in Item 6 affecting the voting and disposition of shares of Class A Common Stock and Class B Common Stock, CalPERS, together with the other parties thereto that beneficially own shares of Common

Stock, may be deemed to constitute a group within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934 (as amended, the "Exchange Act"). Accordingly, CalPERS may be deemed to beneficially own each of the shares beneficially owned by the other members of such group. In such case, CalPERS may be deemed to beneficially own 13,796,660 shares of Class A Common Stock, which would represent 96.9% of the outstanding shares of Class A Common Stock. The beneficial ownership percentage calculated in the immediately foregoing sentence assumes the conversion of all shares of Class B Common Stock. However, CalPERS disclaims the existence of such group and disclaims beneficial ownership of the shares of Common Stock beneficially owned by any of the other parties to the Securityholders' Agreement.

(c) Except as set forth in Item 3, neither CalPERS nor, to the best knowledge of CalPERS, any of the other persons described in Item 2 hereof has effected any transaction during the past 60 days in any shares of Common Stock.

(d) Except as set forth in this Schedule 13D, no person other than CalPERS has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Class A Common Stock beneficially owned by CalPERS.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information set forth, or incorporated by reference, in Items 3, 4 and 5 is hereby incorporated herein by reference.

Securityholders' Agreement

On July 20, 2001, a Securityholders' Agreement that is described below was entered into among the Securityholders, Services and the

Issuer. The following description is qualified in its entirety by reference to the Securityholders' Agreement, which is filed as an Exhibit hereto and incorporated by reference herein.

Limitations on Transfer

The Non-Blum Holders agreed that, until the earlier of ten years from the date the Securityholders' Agreement was signed or the date of an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market, which period is referred to herein as the "restricted period," not to sell any of the Issuer's common stock or warrants to acquire the Issuer's common stock, which are referred to herein as the "restricted securities," except:

- to their respective affiliates;
- in the case of an individual who is a party to the Securityholders' Agreement, to his or her spouse or direct lineal descendants, including adopted children, or antecedents;

13D

Page 6 of 19 Pages

- in the case of an individual who is a party to the Securityholders' Agreement, to a charitable remainder trust or trusts, in each case the current beneficiaries of which, or to a corporation or partnership, the stockholders or limited or general partners of which, include only the transferor, the transferor's spouse or the transferor's direct lineal descendants, including adopted children or antecedents;
- in the case of an individual who is a party to the Securityholders' Agreement, to the executor, administrator, testamentary trustee, legatee or beneficiary of any deceased transferor holding restricted securities;
- in the case of Freeman Spogli, beginning on April 12, 2003, on a pro rata basis to its partners;
- in the case of a transferee of Freeman Spogli pursuant to the previous bullet point that is a corporation, partnership, limited liability company, trust or other entity, on a pro rata basis without payment of consideration, to its shareholders, partners, members, beneficiaries or other entity owners, as the case may be;
- in the case of Freeman Spogli, Koll, Malek, CSFB, DLJ and CalPERS, beginning three years from the closing date of the Merger, after complying with the right of first offer provision described below;
- by DLJ and CSFB, in connection with transfers of the Issuer's 16% Senior Notes due 2011 to a permitted transferee; and
- transfers made in connection with the tag-along rights and drag-along rights described below.

In order for any of the sales described above to be permitted, each recipient of restricted securities must first execute an assumption agreement whereby it will become a party to the Securityholders' Agreement and assume and become entitled to specified rights and obligations in the Securityholders' Agreement as described in the following paragraph.

With respect to any person who acquires any restricted securities from any securityholder in compliance with the terms of the Securityholders' Agreement, the transferee will become subject to the following provisions of the Securityholders' Agreement, depending upon the identity of the transferor:

- in the case of any transfer from the Blum Funds, (A) if the transferee acquires a majority of the Common Stock beneficially owned by a Blum Fund, that Blum Fund may assign to the transferee all of its rights and obligations under the agreement or (B) if the transferee acquires less than a majority of the Common Stock beneficially owned by that Blum Fund, the transferee generally will assume and be entitled to all of the rights and obligations of the Blum Fund described in the section titled "Registration Rights" below;

13D

Page 7 of 19 Pages

- in the case of an assignment by a Blum Fund of its rights pursuant to a right of first offer, as described below, the assignee or assignees generally will assume and be entitled to all of the rights and obligations of the Blum Fund described in the section titled "Registration Rights" below;
- in the case of any transfer from Freeman Spogli, (A) the transferee will assume all of the rights and obligations of Freeman Spogli, other than the right to designate any member of the Board or the "Freeman Spogli Consent Rights" described below and (B) in addition, if the transferee acquires a majority of the Common Stock beneficially owned by Freeman Spogli at the time of the transfer and following the acquisition the transferee beneficially owns at least 10% of the outstanding Common Stock, Freeman Spogli may assign to the person all of its rights and obligations under the agreement; and
- in the case of any transfer from any other party to the Securityholders' Agreement, the new transferee generally will assume and be entitled to all of the rights and obligations of the transferor under the Securityholders' Agreement.

Right of First Offer. Beginning three years from the closing date of the Merger, each of Freeman Spogli, Koll, Malek, CSFB, DLJ and CalPERS will be able to transfer all or any portion of its or his restricted securities to a qualified purchaser. However, prior to any transfer to a qualified purchaser, the transferring securityholder must first offer to sell all or, with the consent of the transferring securityholder, a portion of these restricted securities to RCBA Partners or its assignee at the price and upon the other terms indicated to RCBA Partners by the transferring securityholder. If RCBA Partners elects not to buy all of the restricted securities on these terms, the transferring securityholder will be able to transfer the shares to a qualified purchaser for a limited period of time at a purchase price equal to or greater than the price offered to RCBA Partners and on other terms that are no more favorable in any material respect than the terms initially offered to RCBA Partners.

Under the Securityholders' Agreement, the term "qualified purchaser" refers to any person to whom a securityholder wishes to transfer its or his restricted securities, as long as this person is approved by RCBA Partners, which approval will not be unreasonably withheld. If a proposed qualified purchaser is a nationally-recognized private equity sponsor or institutional equity investor, RCBA Partners may not withhold its consent unless RCBA Partners' decision results from its direct experience with this person in connection with another actual or proposed transaction.

Co-Sale Right. Prior to the date of an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market, if RCBA Partners and its affiliates propose to transfer a portion of their Class B Common Stock to any third party, other than in a public offering, each of the Non-Blum Holders generally will have the right under the Securityholders' Agreement to require the proposed transferee or acquiring person to purchase from it or him the same proportion of its or his shares of Common Stock as is being purchased from RCBA Partners and its affiliates at the same price per share and generally upon the same terms and conditions as apply to RCBA Partners and its affiliates.

Required Sale. If RCBA Partners and its affiliates agree to transfer to a third party, other than in a public offering, a majority of the shares of the Class B Common Stock beneficially owned by RCBA Partners and its affiliates at the time of the transfer, then under the Securityholders' Agreement each Non-Blum Holder may be required to transfer to the third

party the same proportion of its or his restricted securities as is being transferred by RCBA Partners and its affiliates at the same price and generally upon the same terms and conditions as apply to RCBA Partners and its affiliates.

In addition, if RCBA Partners approves any merger, consolidation, amalgamation or other business combination involving the Issuer or any of its subsidiaries or the sale of all or substantially all of the Issuer's assets, then each Non-Blum Holder that holds shares of Class B Common Stock will agree to vote all shares of Class B common stock held by him or it or his or its affiliates to approve the transaction and not to exercise any appraisal or dissenters' rights available to it or him under any rule, regulation, statute, agreement or otherwise.

Participation Rights. Except for the specified exceptions listed below, the Issuer agreed under the Securityholders' Agreement not to issue any of its equity securities to any person unless, prior to the issuance, it notifies each of the Securityholders and grants to it or him or one of its or his affiliates the right to subscribe for and purchase a pro rata share of the equity securities being issued at the same price and upon the same terms and conditions as apply to all other subscribers. The specified exceptions to the participation rights include issuances of equity securities under the following circumstances:

- upon the exchange, exercise or conversion of other equity securities;
- in connection with any stock split, stock dividend or recapitalization of us, as long as it is fully proportionate for each class of affected equity securities and entails equal treatment for all shares or units of the affected class;
- pursuant to the acquisition by the Issuer or its subsidiaries of another person or a material portion of its assets, by merger, purchase of assets or otherwise;
- to employees, officers, directors or independent contractors of the Issuer or its subsidiaries;
- in connection with a public offering; or
- to customers, vendors, lenders, and other non-equity financing sources, lessors of equipment and other providers of goods or services to the Issuer or its subsidiaries.

Market "Stand-Off." Pursuant to the Securityholders' Agreement, in connection with an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market, if all of the Securityholders that hold at least 2% of the outstanding shares of Common Stock agree to the same restrictions, each of the Securityholders will not be permitted to sell, transfer or engage in a similar transaction with respect to any of the securities of the Issuer for a period specified by the representative of the underwriters, which period may not exceed 180 days after the registration statement regarding the offering is declared effective.

Demand Registration Rights. Subject to the terms and conditions described in the Securityholders' Agreement, if the Issuer receives a written demand from (i) the holders of at least 25% of the then outstanding shares of the Common Stock held by the Blum Funds and their transferees, (ii) the holders of at least 25% of the then outstanding shares of Common Stock held by Freeman Spogli and its transferees or (iii) the holders of at least 25% of the then outstanding shares of Common Stock held by DLJ and CSFB and their transferees, then the Issuer has agreed to use its best efforts to effect, as soon as practicable, the registration under the Securities Act of all Class A Common Stock requested to be registered in accordance with the terms of the Securityholders' Agreement together with any of the Issuer's other securities entitled to be included under the registration.

However, the Issuer will not be required to effect a demand registration under the Securityholders' Agreement:

- prior to 180 days after the effective date of a registration statement pertaining to an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market;
- requested by the Blum Funds and their transferees after the Issuer has effected six demand registrations requested by the Blum Funds and their transferees and each of these registrations has been declared or ordered effective;
- requested by Freeman Spogli and its transferees after the Issuer has effected three registrations requested by Freeman Spogli and its transferees and each of these registrations has been declared or ordered effective;
- requested by DLJ and CSFB and their transferees after the Issuer has effected one registration requested by DLJ and CSFB and their transferees and this registration has been declared or ordered effective;
- if the anticipated aggregate gross proceeds to be received by the parties requesting the registration are less than \$2,000,000;
- if the Issuer notifies in good faith the parties requesting the registration that it intends to make another public offering within ninety days of the demand request; or
- if the Issuer furnishes to the parties requesting the registration a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board, it would be seriously detrimental to the Issuer for the registration to be effected at the time, in which event the Issuer has the right to defer the filing for ninety days, although the Issuer is not able to defer filings in this fashion more than an aggregate of ninety days in any twelve month period.

In any underwritten offering under a demand registration, if the managing underwriter advises the Issuer that marketing factors require a limitation of the number of shares to be underwritten because it is likely to have an adverse effect on the price, timing or the distribution of the shares to be offered, then the number of shares that may be included in the underwriting will be allocated first among the parties who demanded the registration on a pro rata basis and

second to the extent all registrable shares requested to be included in the underwriting by the parties who demanded the registration have been included, among the remaining securityholders requesting inclusion of registrable shares in the underwritten offering on a pro rata basis.

Piggyback Registrations Rights. In the Securityholders' Agreement, each Securityholder and its transferees will be entitled to request that the Issuer include all or a portion of his or its shares in any registration statement for purposes of a public offering of the Issuer's securities, but excluding the following types of offerings:

- registration statements relating to employee benefit plans or with respect to corporate reorganizations or other transactions under Rule 145; and
- any registration statement pertaining to an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market.

In an underwritten offering in which one or more Securityholders exercises its piggyback registration rights, if the managing underwriter advises the Issuer that marketing factors require a limitation of the number of shares to be underwritten because it likely to have an adverse effect on the price, timing or the distribution of the shares to be offered, then the number of shares that may be included in the underwriting will be allocated first to the Issuer and second to the Securityholders requesting inclusion on a pro rata basis. However, no reduction will be allowed to reduce the securities being offered by the Issuer for its own account to be included in the registration and underwriting or reduce the amount of securities of the selling Securityholders included in the registration below 25% of the total amount of securities included in the registration, unless the offering does not include shares of any other selling Securityholders, in which event any or all of the registrable shares may be excluded in accordance with the immediately preceding sentence.

Expenses of Registration. All registration expenses incurred in connection with a registered offering pursuant to either demand or

piggyback registration rights generally will be borne by the Issuer, except for underwriting discounts, selling commissions and transfer taxes, which will be borne by the holders of the securities being registered on a pro rata basis.

Indemnification. In connection with a registered offering pursuant to either demand or piggyback registration rights, the Issuer has agreed to indemnify and hold harmless each of the Securityholders that participate in the offering against any losses, claims, damages, liabilities or expenses to which it or he may become subject under the Securities Act of 1933, the Securities Exchange Act of 1934 or other federal or state law for any untrue statements, material omissions or other violations the Issuer makes in connection with any registered offering.

Expiration. Each Securityholder's demand and piggyback registration rights, if any, pursuant to the Securityholders' Agreement will expire if all of the following are satisfied:

13D

Page 11 of 19 Pages

- the Issuer has completed an underwritten initial public offering in which the Issuer's shares become listed on a national securities exchange or the Nasdaq National Market and subject to the provisions of the Securities Exchange Act of 1934;
- the party, together with its affiliates, partners and former partners holds less than 2% of the outstanding Common Stock; and
- all Common Stock held by the party, and its affiliates, partners and former partners may be sold under Rule 144 of the Securities Act of 1933 during any ninety day period.

Governance

Composition of Board and Committees. Pursuant to the terms of the Securityholders' Agreement, prior to an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market, each Securityholder that holds shares of Class B Common Stock will agree to vote all of his or its beneficially owned shares of Class B Common Stock to elect the following representatives to the Board:

- between three and six directors designated by RCBA Partners, with the actual number to be determined by RCBA Partners in its discretion;
- one director designated by Blum Partners;
- one director designated by Freeman Spogli;
- Wirta, for so long as he is employed by the Issuer or, if he is no longer employed by the Issuer, the Issuer's chief executive officer at that time;
- White, for so long as he is employed by the Issuer or, if he is no longer employed by the Issuer, the Issuer's Chairman of the Americas at that time, but RCBA Partners may elect to reduce the size of the Board by one director if he is no longer the Issuer's Chairman of the Americas; and
- one director who is a real estate brokerage employee of the Issuer or Services, who will be elected immediately after the closing of the Merger and will remain a director for so long as a majority of the Board agree.

Each of the designation rights described above is subject to the following limitations:

- the director designation rights of RCBA Partners will be reduced (i) to two designees, or one designee if there is not a real estate brokerage employee serving as a member of the Board, if the Blum Funds and their affiliates beneficially own Common Stock representing less than 22.5% of the outstanding Common Stock, (ii) to one designee if there is not a real estate brokerage employee serving as a member of the Board, if the Blum Funds and their affiliates beneficially own Common Stock representing less than 15% of the outstanding Common Stock and (iii) to no designee if the Blum Funds and their affiliates beneficially own Common Stock representing less than 7.5% of the outstanding Common Stock;

13D

Page 12 of 19 Pages

- the director designation rights of Blum Partners will be reduced to zero if RCBA Partners is entitled to designate only one or zero directors; and
- the director designation right of Freeman Spogli will reduce to zero if Freeman Spogli and its affiliates, collectively, beneficially own Common Stock representing less than 7.5% of the outstanding Common Stock.

Also, prior to an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market, each committee of the Board will include at least one director or observer designated by RCBA Partners and one

director or observer designated by Freeman Spogli, and CalPERS will be entitled to have one observer at all regular and special meetings of the Board for so long as CalPERS or its affiliates beneficially own any shares of Common Stock.

Following an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market:

- RCBA Partners will be entitled to nominate a percentage of the total number of directors on the Board that is equivalent to the percentage of the outstanding Common Stock beneficially owned by the Blum Funds and their affiliates; and
- Freeman Spogli will be entitled to nominate one director to the Board as long as they own in the aggregate at least 7.5% of the outstanding Common Stock.

In connection with each of annual or special meetings of stockholders of the Issuer at which the Issuer's directors are to be elected, the Issuer has agreed to (1) nominate and recommend to its stockholders the individuals nominated in the bullet points immediately above for election or re-election as part of the management slate of directors and (2) provide the same type of support for the election of these individuals as directors as the Issuer provides to other persons standing for election as its directors as part of the management slate. In addition, each Securityholder that beneficially owns shares of Class B Common Stock has agreed that he or it will vote all shares of Common Stock owned by him or it in favor of the election or re-election of these individuals.

Also pursuant to the Securityholders' Agreement, the board of directors of Services will at all times following the Merger consist of the same persons as the Board.

Voting of Capital Stock. Prior to an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market, each Non-Blum Holder that beneficially owns shares of Class B Common Stock agreed to vote at any stockholders meeting or in any written consent all of the shares of the Issuer's voting capital stock owned or held of record by it or him, in same the manner as RCBA Partners votes the shares of the Issuer's voting capital stock beneficially owned by it, except with respect to the following actions by the Issuer or any of its subsidiaries:

- any transaction between the Blum Funds or their affiliates and the Issuer or any of its subsidiaries, other than a transaction (1) with another portfolio company of the Blum Funds that has been negotiated on arms-length terms in the ordinary course of business

13D

Page 13 of 19 Pages

between the managements of the Issuer or any of its subsidiaries and the portfolio company, (2) with respect to which the Securityholders may exercise their participation rights under the Securityholders' Agreement or (3) specifically contemplated by the Merger Agreement; or

- any amendment to the Issuer's certificate of incorporation or bylaws that adversely affects the Securityholders relative to the Blum Funds, other than generally (a) an increase in the Issuer's authorized capital stock or (b) amendments made in connection with any reorganization of the Issuer effected to facilitate (1) an initial public offering or (2) the acquisition of the Issuer by merger or consolidation.

For so long as the paragraph immediately above applies, each Non-Blum Holder that beneficially owns shares of Class B Common Stock grants to RCBA Partners an irrevocable proxy, coupled with an interest, to vote all of the shares of the Issuer's voting capital stock owned by the grantor of the proxy.

General Consent Rights. Prior to an underwritten initial public offering in which the Issuer's shares become listed on a national securities exchange or the Nasdaq National Market, under the Securityholders' Agreement, neither the Issuer nor any of its subsidiaries is allowed to take any of the following actions without the prior affirmative vote or written consent of (1) a majority of its directors and (2) a majority of its directors that are not designated by RCBA Partners or Blum Partners:

- any of the transactions described in the two bullet points in the section above titled "Voting of Capital Stock" above; or
- the repurchase or redemption of, the declaration or payment of a dividend with respect to, or the making of a distribution upon, any shares of the Issuer's capital stock beneficially owned by the Blum Funds or their affiliates unless (a) the repurchase, redemption, dividend or distribution is made pro rata among all holders of that class of capital stock, or in the case of a repurchase or redemption, each of the Non-Blum Holders are given a proportionate right to participate in the repurchase or redemption, to the extent they own shares of that class of capital stock or (b) if the capital stock is not Common Stock, the repurchase, redemption or dividend is required by the terms of that capital stock.

Consent Rights of the Director Designated by Freeman Spogli. Prior to an underwritten initial public offering in which the Issuer's shares become listed on a national securities exchange or the Nasdaq National Market, for so long as Freeman Spogli is entitled to designate a member of the Board, neither the Issuer nor any of its subsidiaries will be able to take any of the following actions without the prior affirmative vote or written consent of (1) a majority of its directors and (2) the director designated by Freeman Spogli:

- the acquisition of any business or assets for a purchase price in excess of \$75.0 million, except for (1) the acquisition of any business or asset by an investment fund that is controlled by the Issuer or any of its subsidiaries in connection with the ordinary course conduct of its investment advisory and management business or that of any of its

subsidiaries or (2) acquisitions in connection with the origination of mortgages by the Issuer or any of its subsidiaries;

- the sale or other disposition of assets of the Issuer or its subsidiaries for aggregate consideration having a fair market value in excess of \$75.0 million, other than (1) the sale or other disposition of any business or asset by an investment fund that is controlled by the Issuer or any of its subsidiaries in connection with the ordinary course conduct of its investment advisory and management business or that of any of its subsidiaries or (2) sales or dispositions in connection with the origination of mortgages by the Issuer or any of its subsidiaries;
- incur indebtedness, unless the indebtedness would (1) be permitted pursuant to the terms of the documents governing the indebtedness entered into by the Issuer in connection with the closing of the Merger as in effect on the closing date of the Merger, including any refinancing or replacement of this indebtedness in an equal or lesser aggregate principal amount or (2) immediately following the incurrence, the ratio of (A) the consolidated indebtedness of the Issuer and its subsidiaries determined in accordance with United States generally accepted accounting principles applied in a manner consistent with the Issuer's consolidated financial statements to (B) the twelve-month normalized EBITDA, does not exceed 4.5:1; or
- issue capital stock of the Issuer, or options, warrants or other securities to acquire capital stock of the Issuer, to the Issuer's employees, directors or independent contractors or any of its subsidiaries if the issuances, in the aggregate, exceed 5% of the total amount of the Issuer's outstanding capital stock immediately after the closing of the Merger Agreement on a fully diluted basis, other than (1) issuances to the Issuer's employees, directors or independent contractors and those of its subsidiaries of up to 25% of the Issuer's capital stock on a fully-diluted basis within six months of the closing of the Merger and (2) issuances in amounts equal to the Issuer's capital stock repurchased by the Issuer from, or the options, warrants or other securities to acquire capital stock cancelled by the Issuer or its subsidiaries or terminated or expired without prior exercise with respect to persons who, at the time of the repurchase, cancellation, termination or expiration, were current or former employees, directors or independent contractors of the Issuer or its subsidiaries.

Indemnification

The Issuer has agreed to indemnify and hold harmless (a) each of the Securityholders and each of their respective affiliates and any person who controls them, (b) each of the directors, officers, employees and agents of the persons indicated in clause (a) and (c) each of the heirs, executors, successors and assigns of the persons indicated in clause (a) from all damages, claims, losses, expenses, costs, obligations and liabilities, including reasonable attorneys' fees and expenses but excluding any special or consequential damages against the indemnified party, suffered or incurred by the indemnified persons listed above to the extent arising from (1) the business, operations, liabilities or obligations of the Issuer or its subsidiaries or (2) the indemnified person's ownership of Common Stock.

Termination

The Securityholders' Agreement will terminate with respect to the provisions referred to below as follows:

- with respect to each of the provisions summarized in the section titled "Governance," upon completion of an underwritten initial public offering in which shares of the Issuer become listed on a national securities exchange or the Nasdaq National Market;
- with respect to the provisions summarized in the section titled "Limitations on Transfer" above, upon the expiration of the restricted period;

WHEREAS, Newco has entered into an Amended and Restated Agreement and Plan of Merger, dated as of May 31, 2001 (the "Merger Agreement"), with CB Richard Ellis Services, Inc., a Delaware corporation ("CBRE"), pursuant to which and subject to the terms and conditions thereof, BLUM CB Corp., a Delaware corporation and a wholly-owned subsidiary of Holding ("Newco") shall merge with and into CBRE (the "Merger"), such that CBRE shall thereafter be a subsidiary of Holding;

WHEREAS, upon the terms and subject to the conditions of this Agreement CalPERS desires to purchase and Holding desires to issue and sell 625,000 shares of Class A common stock, par value \$.01 per share ("Holding Class A Common Stock"), of Holding (the "Shares") for an aggregate cash purchase price of \$10,000,000;

WHEREAS, in connection with the financing of the Merger Holding has entered into an Amended and Restated Contribution and Voting Agreement, dated as of May 31, 2001, as amended as of July 19, 2001 (the "Contribution Agreement") with certain investors parties thereto (the "Investors"); a copy of the Contribution Agreement is attached hereto as Exhibit A;

WHEREAS, in connection with the consummation of the Merger and the receipt by the Investors of common stock of Holding, each of the Investors shall become parties to a stockholders' agreement in the form attached hereto as Exhibit A (the "Securityholders' Agreement");

NOW, THEREFORE, in consideration of the mutual covenants and conditions as hereinafter set forth, the parties hereto do hereby agree as follows:

I PURCHASE AND SALES OF SHARES

1.1. Purchase and Sale. At the Closing (as defined below), on the terms and subject to the conditions of this Agreement, CalPERS hereby agrees to purchase from Holding, and Holding hereby agrees to issue and sell to CalPERS, the Shares for an aggregate cash purchase price of \$10,000,000.

1.2. Delivery of Funds and Certificates; Execution of Securityholders Agreement.

(a) Subject to the satisfaction (or waiver by the party entitled to the benefit thereof) of the conditions set forth in Section 1.3 of this Agreement, the closing of the transactions contemplated hereby (the "Closing") will take place at the offices of Simpson Thacher & Bartlett, 3330 Hillview Avenue, Palo Alto, California 94304, or at such other location as the parties may mutually agree, immediately prior to the closing under the Merger Agreement and substantially simultaneously with the Contribution Closing (as defined in the Contribution Agreement). At the Closing, Holding will deliver to CalPERS a duly executed certificate, registered in CalPERS name, representing the Shares, against the transfer and payment of \$10,000,000 in immediately available funds to an account designated by Holding.

(b) At the Closing each of Holding and CalPERS shall execute the Securityholders Agreement.

1.3. Conditions to the Obligations of CalPERS. The obligations of CalPERS to consummate the transactions contemplated by this Agreement shall be subject to the following conditions, each of which is for the benefit of and any of which may be waived by CalPERS:

(a) Holding shall have determined that all the conditions to the consummation of the Merger (as set forth in the Merger Agreement) have been satisfied or waived by the necessary party to the Merger Agreement;

(b) the representations and warranties of Holding contained herein shall be correct and complete in all material respects as of the Closing to the same extent as though made on and as of such date, and CalPERS shall have received an officer's certificate from Holding to that effect;

(d) the transactions to occur at the Contribution Closing (as defined in the Contribution Agreement) shall have occurred pursuant to the terms of the Contribution Agreement substantially simultaneously with the Closing.

1.4. Termination. In the event of any termination of the Agreement as provided in this Section 1.4, this Agreement shall forthwith become wholly void and of no further force or effect (except Article III) and there shall be no liability on the part of any parties hereto or their respective officers or directors. Notwithstanding the foregoing, no party hereto shall be relieved from liability for any willful breach of this Agreement.

II REPRESENTATIONS AND WARRANTIES

2.1. Representations and Warranties of Holding. Holding represents and warrants to CalPERS as follows:

(a) Each of Holding and Newco is a corporation duly incorporated, validly existing and in good standing under the laws of the

state of Delaware and has all requisite corporate power and authority to execute and deliver this Agreement and the agreements contemplated hereby and by the Contribution Agreement and to perform its obligations hereunder and thereunder. The execution and delivery by each of Holding and Newco of this Agreement and the agreements contemplated hereby and by the Contribution Agreement, the performance by each of Holding and Newco of its obligations hereunder and thereunder, and the consummation by each of Holding and Newco of the transactions contemplated hereby and thereby have been duly authorized by all requisite corporate action. This Agreement has been

2

duly executed and delivered by Holding and, assuming the due authorization, execution and delivery thereof by CalPERS, constitutes a legal, valid and binding obligation of Holding, enforceable against Holding in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors rights generally and by the effect of general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or in law).

(b) As of the date hereof, the authorized capital stock of Holding consists of 75,000,000 shares of Class A Common stock, none of which are issued and outstanding, and 25,000,000 shares of Class B Common stock, 241,885 of which are issued and outstanding and held by BLUM as of the date hereof (each such share having been purchased by BLUM for a cash price of \$16.00 per share).

(c) The Shares, when issued and delivered in accordance with the terms hereof and upon receipt of payment required to be made hereunder, will be duly authorized, validly issued, fully paid and nonassessable and free and clear of any mortgage, pledge, security interest, claim, encumbrance, lien or charge of any kind.

(d) The execution, delivery and performance by Holding of this Agreement and the agreements contemplated hereby and by the Contribution Agreement and the consummation by Holder of the transactions contemplated hereby and thereby do not and will not, with or without the giving of notice or the passage of time or both, (i) violate the provisions of any law, rule or regulation applicable to either Holding or Newco or its properties or assets; (ii) violate the provisions of the certificate of incorporation or bylaws of either Holding or Newco, as amended to date; or (iii) violate any judgment, decree, order or award of any court, governmental or quasi-governmental agency or arbitrator applicable to either Holding or Newco or their properties or assets.

(e) No consent, approval, exemption or authorization is required to be obtained from, no notice is required to be given to and no filing is required to be made with any third party (including, without limitation, governmental and quasi-governmental agencies, authorities and instrumentalities of competent jurisdiction) by Holding, in order (i) for this Agreement to constitute a legal, valid and binding obligation of Holding or (ii) to authorize or permit the consummation by Holding of the issuance of the Shares.

(f) Each of Holding and Newco was organized solely for the purpose of effecting the Merger and related transactions and has engaged in no activity other than in connection therewith.

(g) The Company has filed with the Securities and Exchange Commission a Registration Statement on Form S-1 (the "Registration Statement") whereby it has registered a portion of its Class A common stock, par value \$0.01 under the Securities Act of 1933. The Registration Statement does not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

3

2.2. Representations and Warranties of CalPERS. CalPERS represents and warrants to Holding that:

(a) The execution and delivery by CalPERS of this Agreement and the documents contemplated hereby, the performances by CalPERS of its obligations hereunder and thereunder and the consummations by CalPERS of the transactions contemplated hereby and thereby have been duly authorized by all requisite action on the part of CalPERS, and this Agreement has been duly executed and delivered by CalPERS and, assuming the due authorization, execution and delivery thereof by Holding, constitutes a legal, valid and binding obligation of CalPERS, enforceable against CalPERS in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors rights generally and by the effect of general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or in law).

(b) The execution, delivery and performance by CalPERS of this Agreement and the agreements contemplated hereby and the consummation by CalPERS of the transactions contemplated hereby and thereby does not and will not, with or without the giving of notice or the passage of time or both, (i) violate the provisions of the constituent organizational documents or other governing instruments applicable to CalPERS, as amended to date; or (ii) violate any judgment, decree, order or award of any court, governmental or quasi-governmental agency or arbitrator applicable to CalPERS or its, his or her respective properties or assets.

(c) CalPERS (i) is an "accredited investor" within the definition of Regulation D promulgated by the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "Securities Act"), (ii) is experienced in evaluating and investing in private

placement transactions of securities of companies in a similar stage of development and acknowledges that it is able to fend for itself, can bear the economic risk of the investment in Holding, and has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of the investment in the Holding Class A Common Stock and can afford a complete loss of its investment, (iii) understands that no public market now exists for the Holding Class A Common Stock and there is no assurance that a public market will ever exist for the Holding Class A Common Stock and (iv) understands that the Holding Class A Common Stock may not be sold, transferred, or otherwise disposed of without registration under the Securities Act or an exemption therefrom, and that in the absence of an effective registration statement covering the Holding Class A Common Stock or an available exemption from registration under the Securities Act, the Holding Class A Common Stock must be held indefinitely.

of consideration, to its shareholders, partners, members, beneficiaries or other entity owners, as the case may be; provided that with respect to each of the foregoing (x) any such transferee duly executes and delivers an Assumption Agreement, (y) each such transferee pursuant to clause (i) or (v) shall, and each such Transferring Non-BLUM Party shall cause such transferee (and, if applicable, such transferee's spouse) to, Transfer back to such Transferring Non-BLUM Party any Restricted Securities it owns prior to such transferee ceasing to satisfy any of the foregoing clause (i) or (v) of this Section 2.3 with respect to its relationship to such Transferring Non-BLUM Party, and (z) (1) if requested by the Company the Company has been furnished with an opinion of counsel in connection with such Transfer, in form and substance reasonably satisfactory to the Company, that such Transfer is exempt from or not subject to the provisions of Section 5 of the Securities Act and (2) the Company shall be reasonably satisfied that such Transfer is exempt from or not subject to any other applicable securities laws.

2.4. Tag-Along Rights.

(a) Prior to an Initial Public Offering, with respect to any proposed Transfer by BLUM and its Affiliates of shares of Common Stock to any Person other than BLUM and its Affiliates (each a "Third Party") (other than in a Public Offering, which shall be subject to Article III), whether pursuant to a stock sale, merger, consolidation, a tender or exchange offer or any other transaction (any such transaction, a "BLUM Sale"), BLUM and its Affiliates will have the obligation, and each of the Non-BLUM Parties will have the right, to require the proposed transferee or acquiring Person (a "Proposed Transferee") to purchase from each of the Non-BLUM Parties who exercises its rights under Section 2.4(b) (a "Tagging Securityholder") a number of shares of Common Stock up to the product (rounded to the nearest whole number of shares) of (i) the quotient determined by dividing (A) the aggregate number of outstanding shares of Common Stock owned by such Tagging Securityholder by (B) the aggregate number of outstanding shares of Common Stock and (ii) the total number of shares of Common Stock proposed to be directly or indirectly Transferred to the Proposed Transferee, at the same price per share and upon the same terms and conditions (including, without limitation, time of payment and form of consideration) as to be paid by and given to BLUM and/or its Affiliates (as applicable). In order to be entitled to exercise its right to sell shares of Common Stock to the Proposed Transferee pursuant to this Section 2.4, each Tagging Securityholder must agree to make to the Proposed Transferee the same covenants, indemnities (with respect to all matters other than BLUM's and/or its Affiliates' Ownership of Common Stock) and agreements as BLUM and/or its Affiliate (as applicable) agrees to make in connection with the BLUM Sale and such representations and warranties (and related indemnification) as to its Ownership of its Common Stock as are given by BLUM and/or its Affiliate (as applicable) with respect to such party's Ownership of Common Stock; provided, that all such covenants, indemnities and agreements shall be made by each Tagging Securityholder, severally and not jointly, and that the liabilities thereunder (other than with respect to Ownership, which shall be borne entirely by the Securityholder making the representation) shall be borne on a pro rata basis based on the number of shares Transferred by each of BLUM, and its Affiliates and the Tagging Securityholders; provided, however, that in no event shall any Tagging Securityholder's liabilities exceed the total net proceeds from such Transfer received by such Tagging Securityholder. Each Tagging Securityholder will be responsible for its proportionate share of the reasonable out-of-pocket costs incurred by BLUM and its Affiliates in connection with the BLUM Sale to the extent not paid or reimbursed by the Company or the Proposed Transferee.

17

(b) BLUM will give notice to each Tagging Securityholder of each proposed BLUM Sale at least 15 business days prior to the proposed consummation of such BLUM Sale, setting forth the number of shares of Common Stock proposed to be so Transferred, the name and address of the Proposed Transferee, the proposed amount and form of consideration (and if such consideration consists in part or in whole of property other than cash, BLUM will provide such information, to the extent reasonably available to BLUM, relating to such consideration

as the Tagging Securityholder may reasonably request in order to evaluate such non-cash consideration) and other terms and conditions of payment offered by the Proposed Transferee. The tag-along rights provided by this Section 2.4 must be exercised by each Tagging Securityholder within 10 business days following receipt of the notice required by the preceding sentence by delivery of an irrevocable written notice to BLUM indicating such Tagging Securityholder's exercise of its, her or his rights and specifying the number of shares of Common Stock it, she or he desires to sell. The Tagging Securityholder will be entitled under this Section 2.4 to Transfer to the Proposed Transferee the number of shares of Common Stock determined in accordance with Section 2.4(a).

(c) If any Tagging Securityholder exercises its, her or his rights under Section 2.4(a), the closing of the purchase of the Common Stock with respect to which such rights have been exercised is subject to, and will take place concurrently with, the closing of the sale of BLUM's or its Affiliate's Common Stock to the Proposed Transferee.

2.5. Drag-Along Rights.

(a) If BLUM and/or its Affiliates (in such capacity, the "Dragging Party") agree to Transfer to a Third Party or a group of Third Parties (other than in a Public Offering) a majority of the shares of Common Stock beneficially owned by BLUM and its Affiliates at the time of such Transfer, then each of the Non-BLUM Parties hereby agrees that, if requested by the Dragging Party, it will Transfer to such Third Party on the same terms and conditions (including, without limitation, time of payment and form of consideration, but subject to Section 2.5(b)) as to be paid and given to the Dragging Party, the same portion (as determined by the immediately succeeding sentence) of such Non-BLUM Party's Restricted Securities as is being Transferred by BLUM and its Affiliates. Each Non-BLUM Party can be required to sell pursuant to this Section 2.5 that number of Restricted Securities equal to the product obtained by multiplying (i) a fraction, (A) the numerator of which is the aggregate number of shares of Common Stock to be Transferred by BLUM and its Affiliates and (B) the denominator of which is the aggregate number of shares of Common Stock owned by BLUM and its Affiliates at the time of the Transfer by (ii) the aggregate number of shares of Common Stock owned by such Non-BLUM Party (including for these purposes all shares of Common Stock issuable upon exercise, exchange or conversion of other Equity Securities).

(b) The Dragging Party will give notice (the "Drag-Along Notice") to each of the Non-BLUM Parties of any proposed Transfer giving rise to the rights of the Dragging Party set forth in Section 2.5(a) at least ten (10) calendar days prior to such Transfer. The Drag-Along Notice will set forth the number of shares of Common Stock proposed to be so Transferred, the name of the Proposed Transferee, the proposed amount and form of consideration (and if such consideration consists in part or in whole of property other than cash, the Dragging Party will provide such information, to the extent reasonably available to the Dragging Party, relating to

such consideration as the Non-BLUM Parties may reasonably request in order to evaluate such non-cash consideration), the number of Restricted Securities sought and the other terms and conditions of the proposed Transfer. In connection with any such Transfer, such Non-BLUM Parties shall be obligated only to (i) make representations and warranties (and provide related indemnification) as to their respective individual Ownership of Restricted Securities (and then only to the same extent such representations and warranties are given by the Dragging Party with respect to its Ownership of Common Stock), (ii) agree to pay its pro rata share (based on the number of shares transferred by each stockholder in such transaction) of any liability arising out of any representations, warranties, covenants or agreements of the selling Securityholders that survive the closing of such transaction and do not relate to Ownership of Restricted Securities; provided, however, that in no event shall any Non-BLUM Party's liabilities exceed the total net proceeds from such Transfer received by such Non-BLUM Party; provided, further that this Section 2.5(b)(ii) shall not apply if, no later than five (5) calendar days after receipt of the Drag-Along Notice by the FS Entities, the FS Entities deliver to BLUM a certificate signed by the FS Entities certifying in good faith that they (x) do not desire to Transfer any of the Restricted Securities beneficially owned by them in the proposed Transfer set forth in the Drag-Along Notice and (y) would not exercise their rights pursuant to Section 2.4 hereto in connection with such proposed Transfer if BLUM had not otherwise delivered a Drag-Along Notice with respect thereto, and (iii) agree to pay their proportionate share of the reasonable costs incurred in connection with such transaction to the extent not paid or reimbursed by the Company or the Proposed Transferee. If the Transfer referred to in the Drag-Along Notice is not consummated within 120 days from the date of the Drag-Along Notice, the Dragging Party must deliver another Drag-Along Notice in order to exercise its rights under this Section 2.5 with respect to such Transfer or any other Transfer.

(c) If BLUM approves (i) any merger, consolidation, amalgamation or other business combination involving the Company or any of its Subsidiaries or (ii) the sale of all of the business or assets of, or substantially all of the assets of, the Company or any of its Subsidiaries (any of the foregoing events, a "Transaction"), then each of the Non-BLUM Parties agrees to vote all shares of Common Stock held by it or its Affiliates to approve such Transaction and not to exercise any appraisal or dissenters' rights available to such Non-BLUM Parties under any rule, regulation, statute, agreement among the stockholders, the Certificate of Incorporation, the Bylaws or otherwise.

2.6. Participation Right.

(a) The Company shall not issue (an "Issuance") additional Equity Securities of the Company after the date hereof to any Person (other than (i) Equity Securities issued upon the exchange, exercise or conversion of other Equity Securities in accordance with the terms thereof, (ii) Equity Securities issued in connection with any stock split, stock dividend or recapitalization of the Company, as long as the same is fully proportionate for each class of affected security and entails equal treatment for all shares or units of such class, (iii) Equity Securities issued by the Company pursuant to the acquisition by the Company or its Subsidiaries of another Person or a material portion of the assets thereof, by merger, purchase of assets or otherwise in consideration for the assets and/or equity securities so acquired, (iv) Equity Securities

issued to employees, officers, directors, or consultants of the Company or its Subsidiaries, (v) Equity Securities issued in connection with a Public Offering, (vi) Equity Securities issued to customers, vendors,

19

lenders, and other non-equity financing sources, lessors of equipment and other providers of goods or services to the Company or its Subsidiaries or (vii) Equity Securities issued pursuant to the Anti-Dilution Agreement, each of which will not be subject to this Section 2.6), unless, prior to such Issuance, the Company notifies each Securityholder party hereto in writing of the Issuance and grants to each such Securityholder or, at such Securityholder's election, one of its Affiliates, the right (the "Right") to subscribe for and purchase such Securityholder's pro rata share (determined as provided below) of such additional Equity Securities so issued at the same price and upon the same terms and conditions as issued in the Issuance. Each Securityholder's pro rata share is equal to the ratio of (A) the number of shares of Common Stock owned by such Securityholder (including for these purposes all shares of Common Stock issuable upon exercise, exchange or conversion of other Equity Securities) to (B) the total number of shares of the Company's outstanding Common Stock (including for these purposes all shares of Common Stock issuable upon exercise, exchange or conversion of other Equity Securities) immediately prior to the issuance of the Equity Securities.

(b) The Right may be exercised by each Securityholder party hereto or its Affiliates at any time by written notice to the Company received by the Company within 10 business days after receipt of notice from the Company of the Issuance, and the closing of the purchase and sale pursuant to the exercise of the Right shall occur at least 20 business days after the giving of the notice of the Issuance by the Company and prior to or concurrently with the closing of the Issuance. Notwithstanding the foregoing (i) the Right shall not apply to any Issuance, pro rata, to all holders of Common Stock and (ii) the Company shall not be required to offer or sell any Equity Security to any Securityholder who is not an "accredited investor" as defined in Regulation D of the rules and regulations promulgated by the SEC under the Exchange Act or who would cause the Company to be in violation of applicable federal securities laws by virtue of such offer or sale.

II REGISTRATION RIGHTS

3.1. Demand Registration.

(a) Subject to the conditions of this Section 3.1, if the Company shall receive a written request from (i) BLUM Holders holding not less than 25% of the Registrable Securities then outstanding held by the BLUM Holders, (ii) FS Holders holding not less than 25% of the Registrable Securities then outstanding held by the FS Holders or (iii) Note Investor Holders holding not less than 25% of the Registrable Securities then outstanding held by the Note Investor Holders, that the Company file a registration statement under the Securities Act covering the registration of Registrable Securities, then the Company shall, within five (5) days of the receipt thereof, give written notice of such request to all Holders, who must respond in writing within fifteen (15) days requesting inclusion in the registration. The request must specify the amount and intended disposition of such Registrable Securities. The Company, subject to the limitations of this Section 3.1, must use its best efforts to effect, as soon as practicable, the registration under the Securities Act of all Registrable Securities that the Holders request to be registered in accordance with this Section 3.1 together with any other securities of the Company entitled to inclusion in such registration.

20

(b) If the Initiating Holders intend to distribute the Registrable Securities covered by their request by means of an underwriting, they shall so advise the Company as a part of their request made pursuant to this Section 3.1 and the Company shall include such information in the written notice referred to in Section 3.1(a). In such event, the right of any Holder to include its Registrable Securities in such registration shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting (unless otherwise mutually agreed by a majority in interest of the Initiating Holders and such Holder) to the extent provided herein. All Holders proposing to distribute their securities through such underwriting shall enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by a majority in interest of the Initiating Holders (which underwriter or underwriters shall be reasonably acceptable to the Company). Notwithstanding any other provision of this Section 3.1, if the managing underwriter advises the Company in writing that marketing factors require a limitation of the number of securities to be underwritten (including Registrable Securities) because the number of securities to be underwritten is likely to have an adverse effect on the price, timing or the distribution of the securities to be offered, then the Company shall so advise all Holders of Registrable Securities which would otherwise be underwritten pursuant hereto, and the number of shares that may be included in the underwriting shall be allocated among participating Holders, (i) first among the Initiating Holders, and, if any Initiating Holder is BLUM, CalPERS as nearly as possible on a pro rata basis based on the total number of Registrable Securities held by all such Initiating Holders and, if applicable, CalPERS, and (ii) second to the extent all Registrable Securities requested to be included in such underwriting by the Initiating Holders have been included, among the Holders requesting inclusion of Registrable Securities in such underwritten offering (other than the Initiating Holders and, if applicable, CalPERS), as nearly as possible on a pro rata basis based on the total number of Registrable Securities held by all such Holders. Any Registrable Securities excluded or withdrawn from such underwriting shall be withdrawn from the registration. To facilitate the allocation of shares in accordance with the foregoing, the Company or the underwriters may round the number of shares allocated to any Holder to the nearest 100 shares.

(c) The Company shall not be required to effect a registration pursuant to this Section 3.1:

(i) prior to the date one hundred eighty (180) days following the effective date of the registration statement pertaining to the Initial Public Offering;

(ii) in the case of (x) a registration requested by BLUM Holders pursuant to Section 3.1(a)(i), after the Company has effected six (6) registrations requested by BLUM Holders pursuant to such Section, (y) a registration requested by FS Holders pursuant to Section 3.1(a)(ii), after the Company has effected three (3) registrations requested by FS Holders pursuant to such Section, and (z) a registration requested by Note Investor Holders pursuant to Section 3.1(a)(iii), after the Company has effected one (1) registration requested by Note Investor Holders pursuant to such Section;

(iii) if the anticipated aggregate gross proceeds to be received by such Holders are less than \$2,000,000;

21

(iv) if within five (5) days of receipt of a written request from the Initiating Holders pursuant to Section 3.1(a), the Company in good faith gives notice to the Initiating Holders of the Company's intention to make a public offering within ninety (90) days in which case Section 3.2 shall govern; *provided* that if the Company does not file a registration statement under the Securities Act relating to such public offering within such ninety (90) day period (such 90 day period being referred to herein as the "Relevant Period") the Company shall be prohibited from delivering additional notices pursuant to this Section 3.1(c)(iv) until the 181st day following the last day of the Relevant Period; or

(v) if the Company shall furnish to Holders requesting a registration statement pursuant to this Section 3.1, a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board, it would be seriously detrimental to the Company for such registration statement to be effected at such time, in which event the Company shall have the right to defer such filing for a period of not more than ninety (90) days after receipt of the request of the Initiating Holders; provided that the Company shall not defer filings pursuant to this clause (v) more than an aggregate of ninety (90) days in any twelve (12) month period.

(d) The Company shall select the registration statement form for any registration pursuant to Section 3.1, but shall cooperate with the requests of the Initiating Shareholders or managing underwriters selected by them as to the inclusion therein of information not specifically required by such form.

3.2. Piggyback Registrations.

(a) The Company shall notify all Holders of Registrable Securities in writing at least fifteen (15) days prior to the filing of any registration statement under the Securities Act for purposes of a public offering of securities of the Company (including, but not limited to, registration statements relating to secondary offerings of securities of the Company, but excluding (i) registration statements relating to employee benefit plans or with respect to corporate reorganizations or other transactions under Rule 145 of the Securities Act; (ii) any registration statement filed pursuant to Section 3.1 (with respect to which the Holders rights to participate in such registered offering shall be governed by Section 3.1); and (iii) any registration statement relating to the Initial Public Offering unless Registrable Securities of BLUM or its Affiliates are to be sold in an IPO) and, subject to Section 3.13(a), will use its best efforts to afford each such Holder an opportunity to include in such registration statement all or part of such Registrable Securities held by such Holder. Each Holder desiring to include in any such registration statement all or any part of the Registrable Securities held by it shall, within fifteen (15) days after the above-described notice from the Company, so notify the Company in writing. Such notice shall state the intended method of disposition of the Registrable Securities by such Holder. If a Holder decides not to include all of its Registrable Securities in any registration statement thereafter filed by the Company, such Holder shall nevertheless continue to have the right to include any Registrable Securities in any subsequent registration statement or registration statements as may be filed by the Company with respect to offerings of its securities, all upon the terms and conditions set forth herein.

22

(b) If the registration statement under which the Company gives notice under this Section 3.2 is for an underwritten offering, the Company shall so advise the Holders of Registrable Securities as part of the written notice provided to the Holders pursuant to Section 3.2(a). In such event, the right of any such Holder to be included in a registration pursuant to this Section 3.2 shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting to the extent provided herein. All Holders proposing to distribute their Registrable Securities through such underwriting shall enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company. Notwithstanding any other provision of this Agreement, if the managing underwriter advises the Company in writing that marketing factors require a limitation of the number of securities to be underwritten (including Registrable Securities) in an offering subject to this Section 3.2 because the number of securities to be underwritten is likely to have an adverse effect on the price, timing or the distribution of securities to be offered, then the Company shall so advise all Holders of Registrable Securities which would otherwise be underwritten pursuant hereto, and the number of shares that may be included in the underwriting shall be allocated, first, to the Company and second, to the Holders on a pro rata basis based on the total number

of Registrable Securities held by the Holders. No such reduction shall (i) reduce the securities being offered by the Company for its own account to be included in the registration and underwriting, or (ii) reduce the amount of securities of the selling Holders included in the registration below twenty-five percent (25%) of the total amount of securities included in such registration, unless such offering does not include shares of any other selling shareholders, in which event any or all of the Registrable Securities of the Holders may be excluded in accordance with the immediately preceding sentence.

(c) The Company shall have the right to terminate or withdraw any registration initiated by it under this Section 3.2 prior to the effectiveness of such registration whether or not any Holder has elected to include securities in such registration. The Registration Expenses of such withdrawn registration shall be borne by the Company in accordance with Section 3.3 hereof.

3.3. Expenses of Registration.

Except as specifically provided herein, all Registration Expenses incurred in connection with any registration, qualification or compliance pursuant to Section 3.1 or Section 3.2 herein shall be borne by the Company. All Selling Expenses incurred in connection with any registrations hereunder, shall be borne by the Holders of the Registrable Securities so registered pro rata on the basis of the number of shares so registered. The Company shall not, however, be required to pay for expenses of any registration proceeding begun pursuant to Section 3.1, the request of which has been subsequently withdrawn by the Initiating Holders unless (a) the withdrawal is based upon material adverse information concerning the Company of which the Initiating Holders were not aware at the time of such request or (b) (x) BLUM Holders holding not less than 50% of the Registrable Securities then outstanding held by all BLUM Holders, in the case of a registration requested pursuant to Section 3.1(a)(i), (y) FS Holders holding not less than 50% of the Registrable Securities then outstanding held by all FS Holders, in the case of a registration requested pursuant to Section 3.1(a)(ii), or (z) Note Investor Holders holding not less than 50% of the Registrable Securities then outstanding held by all Note

23

Investor Holders, in the case of a registration requested pursuant to Section 3.1(iii), agree to forfeit their right to one requested registration pursuant to Section 3.1, as applicable, in which event such right shall be forfeited by all BLUM Holders, in the case of clause (x), all FS Holders in the case of clause (y) and all Note Investor Holders in the case of clause (z). If the Holders are required to pay the Registration Expenses, such expenses shall be borne by the holders of securities (including Registrable Securities) requesting such registration in proportion to the number of shares for which registration was requested. If the Company is required to pay the Registration Expenses of a withdrawn offering pursuant to clause (a) above, then the Holders shall not forfeit their rights pursuant to Section 3.1 to a demand registration.

3.4. Effective Registration Statement.

A registration requested pursuant to Section 3.1 will not be deemed to have been effected unless it has become effective and all of the Registrable Securities registered thereunder have been sold; provided, that if within 180 days after it has become effective, the offering of Registrable Securities pursuant to such registration is interfered with by any stop order, injunction or other order or requirement of the Commission or other governmental entity, such registration shall be deemed not to have been effected.

3.5. Selection of Counsel.

In connection with any registration of Registrable Securities pursuant to Sections 3.1 or 3.2 hereof, the Holders of a majority in interest of the Initiating Holders (or the Holders of a majority of the Registrable Securities covered by the registration pursuant to Section 3.2) may select one counsel to represent all Holders of Registrable Securities covered by such registration; provided, however, that in the event that the counsel selected as provided above is also acting as counsel to the Company in connection with such registration, the remaining Holders shall be entitled to select one additional counsel to represent all such remaining Holders.

3.6. Obligations of the Company.

Whenever required to effect the registration of any Registrable Securities, the Company shall, as expeditiously as reasonably possible:

(a) (1) in the case of a registration initiated under Section 3.1 prepare and, in any event within ninety (90) days after the receipt of the notice contemplated by Section 3.1(a), file with the SEC a registration statement with respect to such Registrable Securities and use its best efforts to cause such registration statement to become effective, and, (2) in the case of any registration effected under Section 3.1, upon the request of the Holders of a majority of the Registrable Securities registered thereunder, keep such registration statement effective for up to one hundred and eighty (180) days or, if earlier, until the Holder or Holders have completed the distribution related thereto.

(b) Prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement; provided, that before filing a registration statement or prospectus, or any amendments or supplements thereto, the Company

will furnish to counsel (selected pursuant to Section 3.5 hereof) for the Holders of Registrable Securities copies of all documents proposed to be filed, which documents will be subject to the review of such counsel.

(c) Furnish to each Holder such number of copies of such registration statement and of each amendment and supplement thereto (in each case including all exhibits filed therewith including any documents incorporated by reference), such number of copies of the prospectus included in such registration statement (including each preliminary prospectus and summary prospectus), in conformity with the requirements of the Securities Act, and such other documents as such Holder may reasonably request in order to facilitate the disposition of Registrable Securities owned by such Holder.

(d) Use its best efforts to register and qualify the securities covered by such registration statement under such other securities or blue sky laws of such jurisdictions as shall be reasonably requested by the Holders, request, and do any and all other acts and things which may be reasonably necessary or advisable to enable such Holder to consummate the disposition in such jurisdictions of the Registrable Securities owned by such Holder; provided, that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions unless the Company is already subject to service in such jurisdiction and except as may be required by the Securities Act.

(e) Use its best efforts to cause such Registrable Securities covered by such registration statement to be registered with or approved by such other governmental entities as may be necessary to enable the Holders thereof to consummate the disposition of such Registrable Securities.

(f) Enter into such customary agreements (including an underwriting agreement in customary form), which may include indemnification provisions in favor of underwriters and other Persons in addition to, or in substitution for the provisions of Section 3.9 hereof, and take such other actions as Holders of a majority of shares of such Registrable Securities or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities.

(g) Notify each Holder of Registrable Securities covered by such registration statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and prepare and furnish to each Holder any supplement or amendment necessary so that the supplemented or amended prospectus no longer includes such untrue or misleading statements or omissions of material fact.

(h) Otherwise comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable (but not more than 18 months) after the effective date of the registration statement, an earnings statement which shall satisfy the provisions of Section 11(a) of the Securities Act.

(i) Use its best efforts to list such Registrable Securities on any securities exchange on which the Common Stock is then listed if such Registrable Securities are not already so listed and if such listing is then permitted under the rules of such exchange, and use its best efforts to provide a transfer agent and registrar for such Registrable Securities covered by such registration statement not later than the effective date of such registration statement.

(j) Furnish, at the request of the Holders of a majority of the Registrable Securities being registered in the registration, on the date that such Registrable Securities are delivered to the underwriters for sale, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the date that the registration statement with respect to such securities becomes effective, (i) an opinion, dated as of such date, of the counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering and reasonably satisfactory in form, substance and scope to a majority in interest of the Initiating Holders (or Holders requesting registration in the case of a registration pursuant to Section 3.2), addressed to the underwriters, if any, and to the Holders requesting registration of Registrable Securities and (ii) a "cold comfort" letter dated as of such date, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering and reasonably satisfactory to a majority in interest of the Initiating Holders (or Holders requesting registration in the case of a registration pursuant to Section 3.2), addressed to the underwriters, if any, and if permitted by applicable accounting standards, to the Holders requesting registration of Registrable Securities.

(k) Make available for inspection by any Holder of such Registrable Securities covered by such registration statement, by any underwriter participating in any disposition to be effected pursuant to such registration statement and by any attorney, accountant or other agent retained by any such Holder or any such underwriter, all pertinent financial and other records, pertinent corporate documents and properties of the Company, and cause all of the Company's officers, directors and employees to supply all information reasonably requested by any such Holder, underwriter, attorney, accountant or agent in connection with such registration statement.

(l) Notify counsel (selected pursuant to Section 3.5 hereof) for the Holders of Registrable Securities included in such registration statement and the managing underwriter or agent, immediately, and confirm the notice in writing (i) when the registration statement, or any post-effective amendment to the registration statement, shall have become effective, or any supplement to the prospectus or any amendment prospectus shall have been filed, (ii) of the receipt of any comments from the Commission, (iii) of any request of the Commission to amend the registration statement or amend or supplement the prospectus or for additional information, and (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the registration statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the registration statement for offering or sale in any jurisdiction, or of the institution or threatening of any legal actions for any of such purposes.

(m) Make every reasonable effort to prevent the issuance of any stop order suspending the effectiveness of the registration statement or of any order preventing or

26

suspending the use of any preliminary prospectus and, if any such order is issued, to obtain the withdrawal of any such order at the earliest possible moment.

(n) If requested by the managing underwriter or agent or any Holder of Registrable Securities covered by the registration statement, promptly incorporate in a prospectus supplement or post-effective amendment such information as the managing underwriter or agent or such Holder reasonably requests to be included therein, including, with respect to the number of Registrable Securities being sold by such Holder to such underwriter or agent, the Purchase Price being paid therefor by such underwriter or agent and with respect to any other terms of the underwritten offering of the Registrable Securities to be sold in such offering; and make all required filings of such prospectus supplement or post-effective amendment as soon as practicable after being notified of the matters incorporated in such prospectus supplement or post-effective amendment.

(o) Cooperate with the Holders of Registrable Securities covered by the registration statement and the managing underwriter or agent, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing securities to be sold under the registration statement, and enable such securities to be in such denominations and registered in such names as the managing underwriter or agent, if any, or such Holders may request.

(p) Cooperate with each Holder of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the National Association of Securities Dealers, Inc.

(q) Make available the executive officers of the Company to participate with the Holders of Registrable Securities and any underwriters in any "road shows" or other selling efforts that may be reasonably requested by the Holders in connection with the methods of distribution for the Registrable Securities.

3.7. Termination of Registration Rights.

A Holder's registration rights pursuant to this Article III shall expire if (i) the Company has completed its Initial Public Offering and is subject to the provisions of the Exchange Act, (ii) such Holder (together with its Affiliates, partners and former partners) holds less than 2% of the Company's outstanding Common Stock and (iii) all Registrable Securities held by such Holder (and its Affiliates, partners and former partners) may be sold under Rule 144 during any ninety (90) day period. Upon expiration of a Holder's registration rights pursuant to this Section 3.7, the obligations of the Company under this Article III to give such Holder notice of registrations or take any other actions under this Article III with respect to the registration of securities held by such Holder shall also terminate.

3.8. Delay of Registration; Furnishing Information.

It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 3.1 or 3.2 that the selling Holders shall furnish to the Company upon written request of the Company such information regarding themselves, the Registrable

27

Securities held by them and the intended method of disposition of such securities as shall reasonably be required to effect the registration of their Registrable Securities.

3.9. Indemnification.

(a) The Company will indemnify and hold harmless each Holder, each Affiliate of each Holder and their respective partners, officers and directors (and any director, officer, Affiliate, employee, agent or controlling Person of any of the foregoing), legal counsel and accountants of each Holder, any underwriter (as defined in the Securities Act) for such Holder and each Person, if any, who controls such

Holder or underwriter within the meaning of the Securities Act or the Exchange Act, against any losses, claims, damages, liabilities (joint or several) or expenses, as incurred, to which they may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) or expenses arise out of or are based upon any of the following statements, omissions or violations (collectively, a “Violation”) by the Company: (i) any untrue statement or alleged untrue statement of a material fact contained in any registration statement, including any preliminary prospectus, summary prospectus or final prospectus contained therein or any amendments or supplements thereto, (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading, or (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law in connection with the offering covered by such registration statement; and the Company will reimburse each such Holder, partner, officer or director, underwriter, legal counsel, accountants or controlling Person for any legal or other expenses, as incurred, reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 3.9(a) shall not apply (x) to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company, which consent shall not be unreasonably withheld, nor shall the Company be liable in any such case for any such loss, claim, damage, liability or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by such Holder, partner, officer, director, underwriter or controlling Person of such Holder, and (y) to indemnify underwriters in the offering or sale of Registrable Securities or any other Person, if any, who controls such underwriter within the meaning of the Securities Act with respect to preliminary, final or summary prospectus, or any amendments or supplement thereto, to the extent that it is established that any such action, loss, damage, liability or expense of such underwriter or controlling Person resulted from the fact that such underwriter sold Registrable Securities to a Person whom there was not sent or given, at or prior to the written confirmation of such sale, a copy of the final prospectus (including any documents incorporated by reference therein) or of the final prospectus, as then amended or supplemented (including any documents incorporated by reference therein), whichever is most recent, if the Company has previously furnished copies thereof to such underwriter.

(b) Each Holder will, severally but not jointly, if Registrable Securities held by such Holder are included in the securities as to which such registration, qualification or compliance is being effected, indemnify and hold harmless the Company, each of its directors,

28

its officers, legal counsel, accountants and each Person, if any, who controls the Company within the meaning of the Securities Act, any underwriter and any other Holder selling securities under such registration statement or any of such other Holder’s partners, directors or officers, legal counsel, accountants or any Person who controls such Holder, against any losses, claims, damages, liabilities (joint or several) or expenses to which the Company or any such director, officer, controlling Person, underwriter or other such Holder, or partner, director, officer, legal counsel, accountants or controlling Person of such other Holder may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages or liabilities (or actions in respect thereto) or expenses arise out of or are based upon any Violation, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by such Holder under an instrument duly executed by such Holder and stated to be specifically for use in connection with such registration; and each such Holder will reimburse any legal or other expenses reasonably incurred by the Company or any such director, officer, controlling Person, underwriter or other Holder, or partner, officer, director or controlling Person of such other Holder in connection with investigating or defending any such loss, claim, damage, liability or action if it is judicially determined that there was such a Violation; provided, however, that the indemnity agreement contained in this Section 3.9(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Holder, which consent shall not be unreasonably withheld; provided, further, that in no event shall any indemnity under this Section 3.9 exceed the total net proceeds from the offering received by such Holder.

(c) Promptly after receipt by an indemnified party hereunder of written notice of the commencement of any action or proceeding with respect to which a claim for indemnification may be made pursuant to this Section 3.9, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party, give written notice to the latter of the commencement of such action; provided that the failure of the indemnified party to give notice as provided herein shall relieve the indemnifying party of its obligations under the preceding subdivisions of this Section 3.9 only to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any such action is brought against an indemnified party, unless in such indemnified party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist in respect of such claim or there may be a legal defense available to such indemnified party different from or in addition to those available to the identifying party, the indemnifying party will be entitled to participate in and to assume the defense thereof, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party for any legal or other expenses subsequently incurred by the latter in connection with the defense thereof other than reasonable costs of investigation.

(d) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in this Section 3.9 is unavailable to an indemnified party, the indemnifying party shall contribute to the aggregate losses, damages, liabilities and expenses (collectively, “Losses”) of the nature contemplated by such indemnity incurred by any indemnified party, (i) in such proportion as is appropriate to reflect the relative fault of the

indemnifying party on the one hand and the indemnified parties on the other, in connection with the statements or omissions which resulted in such Losses or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative fault of but also the relative benefits to the indemnifying party on the one hand and each such indemnified party on the other, in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. The relative benefits to the indemnifying party and the indemnified party shall be determined by reference to, among other things, the total proceeds received by the indemnifying party and the indemnified party in connection with the offering to which such losses relate. The relative fault of the indemnifying party and the indemnified party shall be determined by reference to, among other things, whether the action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been made by, or related to information supplied by, the indemnifying party or the indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action. The parties hereto agree that it would be not be just or equitable if contribution pursuant to this Section 3.9 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 3.10, no indemnified party shall be required to contribute any amount in excess of the amount of total net proceeds to such indemnified party from sales of the Registrable Securities of such indemnified party pursuant to the offering that gave rise to such Losses.

(e) The obligations of the Company and Holders under this Section 3.9 shall survive completion of any offering of Registrable Securities in a registration statement and the termination of this Agreement.

3.10. Assignment of Registration Rights.

The rights to cause the Company to register Registrable Securities pursuant to this Article III may be assigned by a Holder to a transferee of such Registrable Securities; provided, however, that in each case (i) such Transfer of Registrable Securities shall comply with the provisions of Article II hereto, (ii) the Transferor shall, within ten (10) days after such Transfer, furnish to the Company written notice of the name and address of such transferee and the securities with respect to which such registration rights are being Transferred and (iii) such transferee shall execute and deliver to BLUM and the Company an Assumption Agreement and become bound by the provisions of this Agreement in the manner set forth in Section 6.5 hereto.

3.11. Amendment of Registration Rights.

Any provision of this Article III may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the written consent of the Company, BLUM and the Holders of at least a majority of the Registrable Securities then outstanding; provided that no such amendment shall adversely affect the rights of the FS Holders relative to the rights of the BLUM Holders without the written consent of the

Holders of a majority of the Registrable Securities then outstanding held by the FS Holders, provided, further that no such amendment shall adversely affect the rights of the Note Investor Holders relative to the rights of the BLUM Holders without the written consent of the Holders of a majority of the Registrable Securities then outstanding held by all Note Investor Holders and provided, further that no such amendment shall adversely affect the rights of the Other Holders relative to the rights of the BLUM Holders without the written consent of the Holders of a majority of the Registrable Securities then outstanding held by all Other Holders. No such amendment shall adversely affect the rights of the Note Investor Holders relative to the rights of the FS Holders or the Other Holders without the written consent of the Holders of a majority of the Registrable Securities then outstanding held by the Note Investor Holders. No such amendment shall adversely affect the rights of the Other Holders relative to the rights of the FS Holders or the Note Investor Holders without the written consent of the Holders of a majority of the Registrable Securities then outstanding held by the Other Holders. Each Holder of any Registrable Securities at the time or thereafter outstanding shall be bound by any amendment authorized by this Section, whether or not such Registrable Securities shall have been marked to indicate such amendment.

3.12. Limitation on Subsequent Registration Rights.

After the date of this Agreement, the Company shall not, without the prior written consent of the Holders of a majority of the Registrable Securities then outstanding, enter into any agreement with any holder or prospective holder of any securities of the Company that would grant such holder registration rights senior to or otherwise more favorable than those granted to the Holders hereunder.

3.12. "Market Stand-Off" Agreement; Agreement to Furnish Information.

(a) Subject to the condition that all Holders holding at least 2% of the outstanding shares of Common Stock are subject to the same restrictions, each Holder hereby agrees that such Holder shall not sell, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale, regarding any Common Stock (or other securities) of the Company held by such Holder (other than those included in the registration) for a period specified by the representative of the underwriters of Common Stock (or other securities) of the Company not to exceed one hundred eighty (180) days following the effective date of a registration

statement of the Company filed under the Securities Act pursuant to which an Initial Public Offering is effected. The Company may impose stop-transfer instructions with respect to the Common Stock (or other securities) subject to the foregoing restriction until the end of said one hundred eighty (180) day period. For the avoidance of doubt such agreement shall apply only to the Initial Public Offering.

(b) Each Holder agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the underwriter which are consistent with the foregoing or which are necessary to give further effect thereto. In addition, if requested by the Company or the representative of the underwriters of Common Stock (or other securities) of the Company, each Holder shall provide, within ten (10) days of such request, such information concerning such Holder as may be required by the Company or such representative in connection with the completion of any public offering of the Company's securities pursuant to a registration statement filed under the Securities Act. The obligations described in this Section 3.13 shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 or similar forms that may be promulgated in the future, or a registration relating solely to a

31

Commission Rule 145 transaction on Form S-4 or similar forms that may be promulgated in the future. Each Holder further agrees the foregoing restriction shall be binding on any transferee from the Holder.

3.14. Rule 144 Reporting.

With a view to making available to the Holders the benefits of certain rules and regulations of the SEC which may permit the sale of the Registrable Securities to the public without registration, the Company agrees to use its best efforts to:

- (a) File, make and keep public information available, as those terms are understood and defined in Rule 144 or any similar or analogous rule promulgated under the Securities Act, at all times after the effective date of the first registration filed by the Company for an offering of its securities pursuant to the Securities Act or pursuant to the requirements of Section 12 of the Exchange Act;
- (b) File with the SEC, in a timely manner, all reports and other documents required of the Company under the Exchange Act; and
- (c) So long as a Holder owns any Registrable Securities, furnish to such Holder forthwith upon request: a written statement by the Company as to its compliance with the reporting requirements of Rule 144 of the Securities Act, and of the Exchange Act (at any when it is subject to such reporting requirements); a copy of the most recent annual or quarterly report of the Company; and such other reports and documents as a Holder may reasonably request in availing itself of any rule or regulation of the SEC allowing it to sell any such securities without registration.

IV GOVERNANCE

4.1. The Board Prior to an Initial Public Offering.

The following provisions shall apply with respect to the Board prior to an Initial Public Offering:

- (a) Immediately after the Closing, the Board shall consist of eight (8) directors, unless BLUM exercises its right pursuant to Section 4.1(f) hereof, in which case the Board shall then consist of between nine (9) and eleven (11) directors.
- (b) Each of the Company and the Class B Securityholders agrees to take all action necessary to cause each of the designees described in Section 4.1(c) below to be elected or appointed to the Board concurrently with the Closing, including without limitation, seeking and accepting resignations of incumbent directors.
- (c) Each Class B Securityholder agrees that at all times prior to an IPO, it will vote, or execute a written consent in lieu thereof with respect to, all of the shares of voting capital stock of the Company owned or held of record by it, or cause all of the shares of voting capital stock of the Company beneficially owned by it to be voted, or cause a written consent in

32

lieu thereof to be executed, to elect and, during such period, to continue in office a Board consisting solely of the following (subject to the other provisions of this Section 4.1):

- (i) three (3) designees of the BLUM Funds, subject to Section 4.1(d) below (including any director designees of BLUM pursuant to Section 4.1(f) below, the "BLUM Directors"), two (or three if the BLUM Directors are increased to four (4) pursuant to Section 4.1(c)(v) below) of whom shall be designated by BLUM and one of whom shall be designated by Blum Strategic;
- (ii) one designee of the FS Entities, collectively (the "FS Director");

(iii) Wirta for so long as he is employed by the Company or, if Wirta is no longer employed by the Company, the Chief Executive Officer of the Company at such time;

(iv) White for so long as he is employed by the Company or, if White is no longer employed by the Company, the Chairman of the Americas of the Company at such time; provided, however that in the event that any Person other than White shall hold such title, BLUM shall have the option to reduce the size of the Board by one director and eliminate this clause (iv); and

(v) immediately after the Closing and for so long as a majority of the members of the Board shall agree, an employee (the "Production Director") of the Company or CBRE involved in CBRE's "Transaction Management" business (as described in the Company 10-K (as defined in the Merger Agreement)); provided, however that, during any period in which the Production Director is a member of the Board, the number of BLUM Directors set forth in Section 4.1(c)(i) shall be increased to four (4) during such period (which number does not include the director designees of BLUM pursuant to Section 4.1(f) below).

provided that each of the foregoing designation rights will be subject to the following provisions of this Section 4.1.

(d) The director designation right of the BLUM Funds in Section 4.1(c) will reduce (i) to three (or two if there shall not be a Production Director as a member of the Board at such time), two or one of whom, as the case may be, shall be designated by BLUM and one of whom shall be designated by Blum Strategic, if BLUM and its Affiliates, collectively, beneficially own Common Stock representing less than 22.5% of the outstanding Common Stock, (ii) to two (or one if there shall not be a Production Director as a member of the Board at such time), one of whom shall be designated by BLUM and one of whom, if the number of BLUM Directors is reduced to two pursuant to this subsection, shall be designated by Blum Strategic, if BLUM and its Affiliates, collectively, beneficially own Common Stock representing less than 15% of the outstanding Common Stock, and (iii) to zero if BLUM and its Affiliates, collectively, beneficially own Common Stock representing less than 7.5% of the outstanding Common Stock.

33

(e) The director designation right of the FS Entities in Section 4.1(c)(ii) will reduce to zero if the FS Entities and their Affiliates, collectively, beneficially own Common Stock representing less than 7.5% of the outstanding Common Stock.

(f) At the request of BLUM (provided that the BLUM Funds are then entitled to designate at least three BLUM Directors pursuant to this Section 4.1), the number of BLUM Directors will be increased such that the BLUM Funds thereafter have the right to designate a majority of the entire Board, and the size of the Board will be expanded to the extent necessary to create director vacancies in connection therewith (subject to subsequent reduction in the number of BLUM Directors pursuant to Section 4.1(d) hereof). BLUM shall have the right to designate any directors required to fill vacancies created at BLUM's request pursuant to this Section 4.1(f). In the event that the size of the Board will exceed the board size specified by the Company's Certificate of Incorporation or Bylaws, each of the Company and the Class B Securityholders will take all necessary steps to expand the size of the Board.

(g) Each committee of the Board will include at least one BLUM Director and the FS Director (provided that at least one such director position is then filled and unless the Securityholder appointing such director(s) shall otherwise agree), unless otherwise agreed in writing by BLUM or Freeman Spogli, respectively.

(h) If either the BLUM Funds or the FS Entities notifies the other Class B Securityholders in writing of its desire to remove, with or without cause, any director of the Company previously designated by it, each Class B Securityholder will vote (to the extent eligible to vote) all of the shares of voting capital stock of the Company beneficially owned or held of record by it, him or her so as to remove such director or, upon request, each Class B Securityholder will promptly execute and return to the Company any written resolution or consent to such effect. In the event that any of such Persons is no longer entitled pursuant to this Section 4.1 to designate a director previously designated by such Securityholder(s), such director promptly will be removed from the Board, and each Class B Securityholder will vote (to the extent eligible to vote) all of the shares of voting capital stock of the Company beneficially owned or held of record by it so as to remove such director or, upon request, each Class B Securityholder will promptly execute and return to the Company any written resolution or consent to such effect.

(i) If any director previously designated by the BLUM Funds or the FS Entities ceases to serve on the Board (whether by reason of death, resignation, removal or otherwise), the Person who designated such director will be entitled to designate a successor director to fill the vacancy created thereby, and each Class B Securityholder will vote (to the extent eligible to vote) all of the shares of voting capital stock of the Company beneficially owned or held of record by it or him or her in favor of such designation or, upon request, each Class B Securityholder will promptly execute and return to the Company any written resolution or consent to such effect.

4.2. The Board Subsequent to an Initial Public Offering.

Following an IPO, (a) BLUM shall be entitled to nominate a percentage of the total number of directors on the Board that is equivalent to the percentage of the outstanding

Common Stock beneficially owned by BLUM and its Affiliates, collectively (such percentage of directors nominated by BLUM and its Affiliates to be rounded up to the nearest whole number of directors) and (b) the FS Entities shall be entitled to nominate one director as long as the FS Entities own in the aggregate at least 7.5% of the outstanding Common Stock. The Company hereby agrees that, at all times after an IPO, at and in connection with each annual or special meeting of stockholders of the Company at which directors of the Company are to be elected, the Company, the Board and the nominating committee thereof will (A) nominate and recommend to stockholders for election or re-election as part of the management slate of directors each such individual and (B) provide the same type of support for the election of each such individual as a director of the Company as provided by the Company, its directors, its management and its Affiliates to other Persons standing for election as directors of the Company as part of the management slate. Each Securityholder that is a Class B Securityholder immediately prior to an IPO hereby agrees that, at all times after an IPO, such Securityholder will, and will cause each of its Affiliates to, vote all shares of Common Stock owned or held of record by it, at each annual or special meeting of stockholders of the Company at which directors of the Company are to be elected, in favor of the election or re-election as a member of the Board of each such individual nominated by any Securityholder pursuant to this Section 4.2.

4.3. Observers.

(a) Prior to an IPO, the FS Entities, collectively, shall be entitled to have two observers in addition to the FS Director (the “FS Observers”) at all regular and special meetings of the Board for so long as the FS Entities, collectively, beneficially own Common Stock representing at least 7.5% of the outstanding Common Stock.

(b) Prior to an IPO and solely for so long as needed by DLJ, upon the advice of counsel, to maintain its qualification as a “Venture Capital Operating Company” pursuant to Section 29 C.F.R. § 2510.3, the DLJ Investors, by vote of a majority of the outstanding Restricted Securities held by the DLJ Investors, shall be entitled to have one observer (the “DLJ Observer”, and together with the FS Observers and the CalPERS Observer referred to below, the “Observers”) at all regular and special meetings of the Board for so long as the DLJ Investors, collectively, beneficially own (i) Restricted Securities representing at least 1.0% of the outstanding Common Stock or (ii) a majority in principal amount of the Notes.

(c) Prior to an IPO, CalPERS shall be entitled to have one observer (the “CalPERS Observer”) at all regular and special meetings of the Board for so long as CalPERS or its Affiliates beneficially own any shares of Common Stock.

(d) The Company shall reimburse each Observer for out-of-pocket expenses, if any, relating to attendance at such meetings and shall reimburse each Material Securityholder for the out-of-pocket expenses, if any, relating to one representative of such Material Securityholder attending each shareholder meeting of the Company. Each Observer shall be entitled to receive the same notice of any such meeting as any director, and shall have the right to participate therein, but shall not have the right to vote on any matter or to be counted for purposes of determining whether a quorum is present thereat. In addition, each Observer shall have the right to receive copies of any action proposed to be taken by written consent of the Board without a meeting. Notwithstanding the foregoing, no action of the Board duly taken in accordance with

the laws of the State of Delaware, the Certificate of Incorporation and the By-Laws shall be affected by any failure to have provided notice to any Observer of any meeting of the Board or the taking of action by the Board without a meeting. Any Observer may be required by the Board to temporarily leave a meeting of the Board if the presence of such Observer at the meeting at such time would prevent the Company from asserting the attorney-client or other privilege with respect to matters discussed before the Board at such time. The FS Entities agree to cause the FS Observers to keep any matters observed or materials received by them at any meeting of the Board strictly confidential. The DLJ Investors agree to cause the DLJ Observer to keep any matters observed or materials received by him or her at any meeting of the Board strictly confidential. CalPERS agrees to cause the CalPERS Observer to keep any matters observed or materials received by him or her at any meeting of the Board strictly confidential, subject to applicable law.

(e) With respect to each committee of the Board for which BLUM or the FS Entities agrees in writing to waive its right set forth in Section 4.1(g) hereto, BLUM or the FS Entities, as the case may be, shall be entitled to have one observer at all meetings of such committee (provided that BLUM or the FS Entities, as the case may be, shall at such time be entitled to designate at least one director to the Board pursuant to Section 4.1 hereto). Each such observer shall be entitled to receive the same notice of any such meeting as any director that is a member thereof, and shall have the right to participate therein, but shall not have the right to vote on any matter or to be counted for purposes of determining whether a quorum is present thereat. In addition, each such observer shall have the right to receive copies of any action proposed to be taken by written consent of such committee without a meeting. Notwithstanding the foregoing, no action of the such committee duly taken in accordance with the laws of the State of Delaware, the Certificate of Incorporation and the By-Laws shall be affected by any failure to have provided notice to any observer of any meeting of such committee or the taking of action by such committee without a meeting. Any such observer may be required by such committee to temporarily leave a meeting of the committee if the presence of such observer at the meeting at such time would prevent the Company from asserting the attorney-client or other privilege with respect to matters discussed before the committee at such time. BLUM agrees to cause any observer designated by it to keep any matters observed or materials received by him or her at any meeting of such committee strictly confidential. The FS Entities agree to cause the any observer designated by it to keep any matters observed or materials received by them at any meeting of such committee strictly confidential.

4.4. Advisors.

For so long as each Other Non-Management Investor shall be a Securityholder, such Other Non-Management Investor shall have the right to provide, and at the reasonable request of the Board or the management of the Company, shall provide, advice with respect to the Company's industry, business and operations ("Advisory Services"), which advice the Board or the management of the Company, as applicable, will consider in good faith. With respect to the provision of such Advisory Services at the request of the Board or the management of the Company, the Company shall reimburse each Other Non-Management Investor for any reasonable out-of-pocket expenses incurred by such Other Non-Management Investor in connection therewith.

36

4.5. Voting.

(a) Except as otherwise provided in this Section 4.5 or this Article IV, prior to an Initial Public Offering, each of the Non-BLUM Parties that is a Class B Securityholder agrees to vote at any stockholders meeting (or in any written consent in lieu thereof) all of the shares of voting capital stock of the Company owned or held of record by it, or cause all of the shares of voting capital stock of the Company beneficially owned by it to be voted at any stockholders meeting (or in any written consent in lieu thereof), in same the manner as BLUM votes the shares of voting capital stock of the Company beneficially owned by it at such meeting (or in such written consent in lieu thereof), except with respect to the following actions by the Company or any of its Subsidiaries:

(i) any transaction between (x) BLUM or any of its Affiliates and (y) the Company or any of its Subsidiaries, other than a transaction (A) with another portfolio company of BLUM or any of its Affiliates that has been negotiated on arms-length terms in the ordinary course of business between the managements of the Company or any of its Subsidiaries and such other portfolio company, (B) with respect to which the Securityholders may exercise their rights under Section 2.6 of this Agreement or (C) specifically contemplated by the Merger Agreement; or

(i) any amendment to the Certificate of Incorporation or Bylaws of the Company that adversely affects such Securityholder relative to BLUM, other than (x) an increase in the authorized capital stock of the Company, or (y) amendments made in connection with any reorganization of the Company effected to facilitate an Initial Public Offering or the acquisition of the Company by merger or consolidation (provided that in such reorganization or acquisition each share of each class or series of capital stock held by the Non-BLUM Parties is treated the same as each share of the same class or series of capital stock held by BLUM; provided, however that, subject to compliance with applicable law, in the event that the one or more of the other corporations or entities that is a party to such an acquisition notifies the Company that it will require the structure of such acquisition to be treated as a recapitalization for financial accounting purposes and that it will require the Company to no longer be subject to the reporting requirements or Section 14 of the Exchange Act after the closing date of the acquisition, then, solely to the extent deemed necessary by such other corporation or entity to satisfy such requirements, the consideration per share the Non-BLUM Parties shall be entitled to receive with respect may be a different kind than the consideration per share BLUM shall be entitled to receive).

(b) In order to effectuate Section 4.5(a), each Non-BLUM Party that is a Class B Securityholder hereby grants to BLUM an irrevocable proxy, coupled with an interest, to vote, during the period specified in Section 4.5(a) above, all of the shares of voting capital stock of the Company owned by the grantor of the proxy in the manner set forth in Section 4.5(a).

4.6. General Consent Rights.

Notwithstanding anything to the contrary stated herein, prior to an Initial Public Offering, neither the Company nor any of its Subsidiaries shall take any of the following actions

37

without the prior affirmative vote or written consent of (a) a majority of the directors of the Company, and (b) a majority of the directors of the Company that are not BLUM Directors:

(i) any transaction between (x) BLUM or any of its Affiliates and (y) the Company or any of its Subsidiaries, other than a transaction (A) with another portfolio company of BLUM of any of its Affiliates that has been negotiated on arms-length terms in the ordinary course of business between the managements of the Company or any of its Subsidiaries and such other portfolio company, (B) with respect to which the Securityholders may exercise their rights under Section 2.6 of this Agreement or (C) specifically contemplated by the Merger Agreement;

(ii) any amendment to the Certificate of Incorporation or Bylaws of the Company that adversely affects any Securityholder relative to either BLUM Fund, other than (x) an increase in the authorized capital stock of the Company, or (y) amendments made in connection with any reorganization of the Company effected to facilitate an Initial Public Offering or the acquisition of the Company by merger or consolidation (provided that in such reorganization or acquisition each share of each class or series of capital stock held by the Non-BLUM Parties is treated the same as each share of the same class or series of capital stock held by either BLUM Fund; provided, however that, subject to compliance with applicable law, in the event that the one or more of the other corporations or entities that is a party to such an acquisition notifies the Company that it will require the structure of such acquisition to be treated as a recapitalization for financial accounting purposes and that it will require the Company to no longer be subject to the reporting requirements or Section 14 of the Exchange Act after the closing date of the acquisition, then, solely to the extent deemed necessary by such other corporation or entity to satisfy such requirements, the consideration per share the Non-BLUM Parties shall be entitled to receive with respect may be a different kind than the consideration per share either BLUM Fund shall be entitled to receive); or

(iii) repurchase or redeem, or declare or pay a dividend with respect to or make a distribution upon, any shares of capital stock of the Company beneficially owned by BLUM or any of its Affiliates, unless (x) such repurchase, redemption dividend or distribution is made pro rata among all holders of such class of capital stock (or, in the case of a repurchase or redemption, all of the Non-BLUM Parties are given a proportionate right to participate in such repurchase or redemption (to the extent they own shares of such class of capital stock)) or (y) if such capital stock is not Common Stock, such repurchase, redemption or dividend is required by the terms of such capital stock.

4.7. Consent Rights of FS Director.

Notwithstanding anything to the contrary stated herein, prior to an Initial Public Offering, for so long as the FS Entities shall be entitled to appoint the FS Director pursuant to Section 4.1 hereto, neither the Company nor any of its Subsidiaries shall take any of the following actions without the prior affirmative vote or written consent of (x) a majority of the directors of the Company, and (y) the FS Director:

38

(a) the acquisition by purchase or otherwise, in any single or series of related transactions, of any business or assets for a Purchase Price in excess of \$75 million; provided, however that this Section 4.7(a) shall not apply to (i) the acquisition of any business or asset by an investment fund that is controlled by the Company or any of its Subsidiaries in connection with the ordinary course conduct of the investment advisory and management business of the Company or any of its Subsidiaries, or (ii) acquisitions in connection with the origination of mortgages by the Company or any of its Subsidiaries;

(c) incur Indebtedness, unless such Indebtedness would (i) be permitted pursuant to the terms of the documents governing the senior and senior subordinated Indebtedness entered into by the Company and CBRE in connection with the closing of the Merger as in effect on the Closing Date of the Merger (including any refinancing or replacement of such Indebtedness in an equal or lesser aggregate principal amount) or (ii) immediately following such incurrence the ratio of (x) the consolidated Indebtedness of the Company and its subsidiaries determined in accordance with United States generally accepted accounting principles applied in a manner consistent with the Company's consolidated financial statements to (y) the Twelve-Month Normalized EBITDA, does not exceed 4.5:1; or

4.8. Board of Directors of CBRE.

Prior to an Initial Public Offering, the Company agrees to cause the Board of Directors of CBRE (the “CBRE Board”) to be comprised of the same individuals as comprise the Board pursuant to Section 4.1 of this Agreement.

V OTHER AGREEMENTS

5.1. Financial Information.

(a) Within 90 days after the end of each fiscal year of the Company, the Company will furnish each Securityholder who is a Material Securityholder a consolidated balance sheet of the Company, as at the end of such fiscal year, and a consolidated statement of income and a consolidated statement of cash flows of the Company, for such year, all prepared in accordance with generally accepted accounting principles consistently applied and setting forth in each case in comparative form the figures for the previous fiscal year, all in reasonable detail. Such financial statements shall be accompanied by a report and opinion thereon by independent public accountants of national standing selected by the Board.

(b) The Company will furnish each Securityholder who is a Material Securityholder within 45 days after the end of the first, second and third quarterly accounting periods in each fiscal year of the Company, a consolidated balance sheet of the Company as of the end of each such quarterly period, and a consolidated statement of income and a consolidated statement of cash flows of the Company for such period and for the current fiscal year to date, prepared in accordance with generally accepted accounting principles, with the exception that no notes need be attached to such statements and year-end audit adjustments may not have been made.

(c) The Company will furnish each Securityholder who is a Material Securityholder any monthly financial statements of the Company that are provided to the Board no later than five (5) days after the day upon which first furnished to the Board.

5.2. Inspection Rights.

Each Securityholder who is a Material Securityholder shall have the right to visit and inspect any of the books, records and properties of the Company or any of its Subsidiaries, and to discuss the affairs, finances and accounts of the Company or any of its Subsidiaries with its officers and independent aviators, and to review such information as is reasonably requested, all at such reasonable times and as often as may be reasonably requested.

5.3. Confidentiality of Records.

Each Securityholder agrees to use, and to use all reasonable efforts to insure that its authorized representatives use, the same degree of care as such Securityholder uses to protect its own confidential information to keep confidential any information furnished to it which the Company identifies as being confidential or proprietary (so long as such information is not in the public domain); provided, however, that any Securityholder may disclose such confidential or proprietary information without the prior written consent of the other parties hereto (i) to any

“Related Party” (as defined below) for the purpose of evaluating an investment in the Company so long as such Related Party is advised of the confidentiality provisions of this Section 5.3 and agrees to comply with such provisions, (ii) if such information is publicly available or (iii) if disclosure is requested or compelled by legal proceedings, subpoena, civil investigative demands or similar proceedings, (iv) if such information was obtained by such Securityholder either independently without breaching this Section 5.3, or from a party not known to such Securityholder to be subject to a confidentiality agreement or (v) to any proposed transferee of Restricted Securities from a Securityholder for the purpose of evaluating an investment in the Company so long as such proposed transferee either executes and delivers to the Company a confidentiality agreement with terms no less favorable to the Company than those set forth in this Section 5.3 or is advised of the confidentiality provisions of this Section 5.3 and agrees in a signed writing delivered to the Company to comply with such provisions. Any Securityholder who provides proprietary or confidential information to a Related Party shall be liable for any breach by such Related Party of the confidentiality provisions of this Section 5.3. For purposes of this Section 5.3, “Related Party” shall mean, with respect to any Securityholder, (A) any partner, member, director, officer or employee of such Securityholder or (B) any Affiliate of such Securityholder.

5.4. Indemnification.

(a) The Company shall indemnify and hold harmless (x) each Securityholder and each of their respective Affiliates and any controlling Person of any of the foregoing, (y) each of the foregoing’s respective directors, officers, employees and agents and (z) each of the heirs, executors, successors and assigns of any of the foregoing from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities including, without limiting the generality of the foregoing, liabilities for all reasonable attorneys’ fees and expenses (including attorney and expert fees and expenses incurred to enforce the terms of this Agreement) (collectively, “Losses and Expenses”), but excluding in each case any special or consequential damages except to the extent part of any governmental or other third party claims against the indemnified party, suffered or incurred by any such indemnified Person or entity to the extent arising from, relating to or otherwise in respect of, any governmental or other third party claim against such indemnified Person that arises from, relates to or is otherwise in respect of (i) the business, operations, liabilities or obligations of the Company or its Subsidiaries or (ii) the ownership by such Securityholder or any of their respective Affiliates of any equity securities of the Company (except to the extent such Losses and Expenses (x) arise from any claim that

such indemnified Person's investment decision relating to the purchase or sale of such securities violated a duty or other obligation of the indemnified Person to the claimant or (y) are finally determined in a judicial action by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Securityholder or its Affiliates) including, without limitation, any Losses and Expenses arising from or under any federal, state or other securities law. The indemnification provided by the Company pursuant to this Section 5.4 is separate from and in addition to any other indemnification by the Company to which the indemnified Person may be entitled, including, without limitation, pursuant to the Certificate of Incorporation, the Bylaws, any indemnification agreements with the Company and Section 3.9 hereto.

41

(b) With respect to third-party claims, all claims for indemnification by an indemnified Person (an "Indemnified Party") hereunder shall be asserted and resolved as set forth in this Section 5.4. In the event that any written claim or demand for which the Company would be liable to any Indemnified Party hereunder is asserted against or sought to be collected from any Indemnified Party by a third party, such Indemnified Party shall promptly notify the Company in writing of such claim or demand (the "Claim Notice"), provided that the failure to promptly provide a Claim Notice will not affect an Indemnified Party's right to indemnification except to the extent such failure materially prejudices the Company. The Company shall have twenty (20) days from the date of receipt of the Claim Notice (the "Notice Period") to notify the Indemnified Party (i) whether or not the Company disputes the liability of the Company to the Indemnified Party hereunder with respect to such claim or demand and (ii) whether or not it desires to defend the Indemnified Party against such claim or demand. All costs and expenses incurred by the Company in defending such claim or demand shall be a liability of, and shall be paid by, the Company. Except as hereinafter provided, in the event that the Company notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against such claim or demand, the Company shall have the right to defend the Indemnified Party by appropriate proceedings and shall have the sole power to direct and control such defense; provided, however, that (1) if the Indemnified Party reasonably determines that there may be a conflict between the positions of the Company and of the Indemnified Party in conducting the defense of such claim or that there may be legal defenses available to such Indemnified Party different from or in addition to those available to the Company, then counsel for the Indemnified Party shall be entitled to conduct the defense at the expense of the Company to the extent reasonably determined by such counsel to be necessary to protect the interests of the Indemnified Party and (2) in any event, the Indemnified Party shall be entitled at its cost and expense to have counsel chosen by such Indemnified Party participate in, but not conduct, the defense. The Indemnified Party shall not settle a claim or demand without the consent of the Company. The Company shall not, without the prior written consent of the Indemnified Party, settle, compromise or offer to settle or compromise any such claim or demand on a basis which would result in the imposition of a consent order, injunction or decree which would restrict the future activity or conduct of the Indemnified Party or any Subsidiary or Affiliate thereof or if such settlement or compromise does not include an unconditional release of the Indemnified Party for any liability arising out of such claim or demand. If the Company elects not to defend the Indemnified Party against such claim or demand, whether by not giving the Indemnified Party timely notice as provided above or otherwise, then the amount of any such claim or demand or, if the same be contested by the Indemnified Party, that portion thereof as to which such defense is unsuccessful (and the reasonable costs and expenses pertaining to such defense) shall be the liability of the Company hereunder. The Indemnified Party and Company shall each render to each other such assistance as may reasonably be requested in order to insure the proper and adequate defense of any such claim or proceeding.

(c) If the indemnification provided for in this Section 5.4 is unavailable or insufficient to hold harmless an Indemnified Party under this Section 5.4, then the Company, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of the Losses and Expenses referred to in this Section 5.4: (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Indemnified Party from the matter giving rise to indemnification hereunder or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as

42

is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Indemnified Party in connection with the matter that resulted in such Losses and Expenses, as well as any other relevant equitable considerations. Relative fault shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the matter giving rise to such Losses and Expenses.

(d) The parties agree that it would not be just and equitable if contributions pursuant to Section 5.4(c) were to be determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to in the first sentence of Section 5.4(c). The amount paid by any indemnified party as a result of the losses, claims, damages or liabilities, or actions in respect thereof, referred to in the first sentence of Section 5.4(c) shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigation, preparing to defend or defending against any claim which is the subject of Section 5.4.

(e) As long as it is reasonably attainable at a reasonable price, the Company will maintain directors' and officers' insurance in an amount to be determined in good faith by the Company's board of directors to be consistent with insurance provided to officers and directors of comparable companies.

6.1. Additional Securities Subject to Agreement

(a) Subject to the following sentence, each Securityholder agrees that any other equity securities of the Company which they hereafter acquire by means of a stock split, stock dividend, distribution, exercise or conversion of securities or otherwise will be subject to the provisions of this Agreement to the same extent as if held on the date hereof. Notwithstanding anything to the contrary stated herein, this Agreement (other than Article IV, it being understood that Wirta and White will vote all such equity securities in accordance with Article IV even if they are not otherwise subject to this Agreement) shall not apply to any shares of Common Stock or any options to acquire Common Stock granted to, or purchased by, Wirta or White, which are subject to the terms of a subscription agreement with the Company (the "Management Securities"), and any references to Common Stock or Equity Securities held or beneficially owned by Wirta or White shall not include any Management Securities other than for purposes of Article IV hereof.

6.2. Term.

This Agreement will be effective from and after the date hereof and will terminate with respect to the provisions referred to below as follows: (i) with respect to Sections 4.1, 4.3, 4.4, 4.5, 4.6, 4.7, 5.1 and 5.2, upon completion of an IPO; (ii) with respect to Sections 2.1(b), 2.2, 2.3, 2.4, 2.5 and 2.6, upon the expiration of the Restricted Period; (iii) with respect to Article III (other than Sections 3.9 and 3.14) at such time as set forth in Section 3.7; (iv) with respect to Sections 3.9 and 5.4, upon the expiration of the applicable statutes of limitations; and (iv) with respect to all Sections (other than Sections 3.9, 3.14 and 5.4), upon (A) the sale of all or

substantially all of the equity interests in the Company to a Third Party whether by merger, consolidation or securities or otherwise, or (B) approval in writing by BLUM, the FS Parties and the holders of a majority of the shares of Common Stock owned by the following Persons voting as a group: the Management Parties, the Note Investor Parties and the Other Non-Management Parties.

This Agreement will inure to the benefit of and be binding on the parties hereto and their respective successors and permitted assigns. This Agreement may not be assigned by any party hereto without the express prior written consent of the other parties, and any attempted assignment, without such consents, will be null and void; provided, however, that with respect to
