# **Forward Looking Statements**

This presentation contains statements that are forward looking within the meaning of the Private Securities Litigation Reform Act of 1995. These statements should be considered as estimates only and actual results may ultimately differ from these estimates. Except to the extent required by applicable securities laws, CB Richard Ellis undertakes no obligation to update or publicly revise any of the forward-looking statements that you may hear today. Please refer to our annual report on Form 10-K and our quarterly reports on Form 10-Q, which are filed with the SEC and available at the SEC's website (http://www.sec.gov), for a full discussion of the risks and other factors, that may impact any estimates that you may hear today. Our responses to questions must be limited to information that is acceptable for dissemination within the public domain. In addition, we may make certain statements during the course of this presentation which include references to "non-GAAP financial measures," as defined by SEC regulations. As required by these regulations, we have provided reconciliations of these measures to what we believe are the most directly comparable GAAP measures, which are available in the fourth quarter earnings press release.
