This Current Report on Form 8-K is filed by CB Richard Ellis Group, Inc., a Delaware corporation (the “Company”), in connection with the matters described herein.

Item 8.01 Other Events

(a) On October 5, 2010, the Company issued a press release announcing that the Company’s wholly-owned subsidiary, CB Richard Ellis Services, Inc., intends to offer \$350 million in aggregate principal amount of Senior Notes due 2020 in a private placement, subject to market and other conditions. The Company intends to use the net proceeds from any such private placement of the Senior Notes to repay a portion of the outstanding debt under its senior secured credit facility. A copy of this press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

(b) On October 5, 2010, the Company issued a press release announcing that it is in discussions with its lenders about the potential to refinance the approximately \$1.5 billion of total debt outstanding as of September 30, 2010 under its existing credit agreement. This debt would be pre-paid or refinanced with approximately \$500.0 million of cash on hand, net proceeds from a \$350.0 million notes offering and up to \$650.0 million of secured term loans under new senior secured credit facilities. Additionally, the Company is targeting a new \$700.0 million secured revolving credit facility. A copy of this press release is attached as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated herein by reference.

(c) As a result of an internal investigation that began in the first quarter of 2010, the Company determined that some of its employees in certain of its offices in China made payments in violation of Company policy to local governmental officials, including payments for non-business entertainment and in the form of gifts. The payments the Company discovered are minor in amount and the Company believes relate to only a few discrete transactions involving immaterial revenues. Nonetheless, the Company believes that the payments may have been in violation of the U.S. Foreign Corrupt Practices Act or other applicable laws. Consequently, the Company voluntarily disclosed these events to the U.S. Department of Justice (the “DOJ”) and the Securities and Exchange Commission (the “SEC”) on February 27, 2010 and has continued to cooperate with both the DOJ and the SEC in connection with this investigation. The Company engaged outside counsel to investigate these events and has implemented thorough remedial measures.

In addition, in the third quarter of 2010, the Company began another internal investigation, with the assistance of outside counsel, involving the use of a third party agent in connection with a purchase in 2008 of an investment property in China for one of the funds the Company manages through its Global Investment Management business. This investigation is ongoing and at this point the Company is unable to predict the duration, scope or results thereof. In light of the Company’s cooperation with the DOJ and the SEC as described above, the Company voluntarily notified both agencies of this separate internal investigation and will report back to them when the Company has more information.
